Malnutrition can be difficult to recognise, particularly in patients who are overweight or obese.

Malnutrition in older people matters - Nursing in ...

Elderly care, or simply eldercare, is the fulfillment of the special needs and requirements that are unique to senior citizens. This broad term encompasses such services as assisted living, adult day care, long term care, nursing homes, hospice care, and home care. Because of the wide variety of elderly care found nationally, as well as differentiating

cultural perspectives on elderly citizens,
it cannot be limited to any one practice.

For example, many countries in Asia use
government-establish
