Beyond Cultural Imperialism: Globalization, Communication ...

Globalisation is the process of interconnectedness and the integration of national and regional culture, economies, and society through the global network of communication, immigration, transportation and trade (Financial Times Lexicon, 2017). According to Reiche (2014), globalisation did not mean much in the past fifty years.

Beyond Cultural Imperialism: Globalization, Communication ...

The media imperialism thesis is the most widespread systemic account of cultural globalization. This is in spite of the fact that various ethnographic studies of culture consumption continue to produce evidence that shows that the predictions derived from this approach are not consistent with what is observed. In- stead of homogeneity of consumption, we find diversity of interpretation ...
