Auster is a writer whose work features very recognisable tropes – a detached male narrator who bears a strong resemblance to Auster himself, meta narratives that play with the idea of voice and lots of intertextual gameplay. As such, I think his novels, while always interesting, can have varying degrees of success.

Paul Auster (Author of The New York Trilogy)

The New York Trilogy is a series of novels by American writer Paul Auster. Originally

published sequentially as City of Glass (1985), Ghosts (1986) and The Locked Room (1986), it has since been collected into a single volume. The Trilogy is a postmodern interpretation of detective and mystery fiction, exploring various philosophical themes.
