Law And English Railway Capitalism

The book examines the impact of English common law and lawyers on the early steam railway industry. Grounded in a wide variety of legal and industrial source materials, the study's eight analytical narrative chapters examine a range of interactions between early railway capitalism and the evolving culture, doctrine, and

procedures of Victorian lawyers.

Schools in England told not to use material from anti ...

The law is a big topic, and so is the rise of capitalism, so I'm

going to narrow the scope of my discussion in a couple of ways. Number one, I'll focus on the American tradition of law, with a fairly long look at its European roots. That's not because Europe and North America were the model for legal developments in other parts of the

world.
