Chinese law is one of the oldest legal traditions in the world. The core of modern Chinese law is based on Germanic-style civil law, socialist law, and traditional Chinese approaches. For most of the history of China, its legal system has been based on the Confucian philosophy of social control through moral education, as well as the Legalist emphasis on codified law and criminal sanction. Following the Xinhai Revolution, the Republic of China adopted a largely Western-style legal code in the ci
