The Vikings are one of the four playable factions in For Honor. Previously thought to have vanished, the Vikings have returned - in great numbers - from across the sea. They have come to take new lands, plunder, expand the clans and reclaim their ancient homeland in the North. Hundreds of clans now dominate amidst the cold and icy tundra.

'For Honor' smashes expectations like a viking with an axe ...

The saga hero Egil Skallagrimsson.

There's a common Romantic image of the Vikings fighting their wars for the collective well-being of their nations and homelands, putting tribal loyalty above self-interest. That image could hardly be further from the historical reality. The Vikings weren't dutiful soldiers selflessly sacrificing themselves for their people; they were mercenaries who, when it really came down to it, cared first and foremost for their own selfish gain.
