Clifford Odets American Playwright The

Clifford Odets was an American playwright, screenwriter, and director. In the mid-1930s he was widely seen as the potential successor to Nobel Prize-winning playwright Eugene O'Neill, as O'Neill began to withdraw from Broadway's commercial pressures and increasing critical backlash. From January 1935 Odets' socially relevant dramas were extremely influential, particularly for the remainder of the Great Depression. His works inspired the next several generations of playwrights, including Arthur M
