What's Left of Us *Amanda Maxlyn, LLC*

The heartwarming conclusion to What's Left of Me. Love found me three years ago. I'm cancer free, happily married to the love of my life, and working toward my dream career. Our life is complete. Perfect, really. Or is it? I've always wanted a family of my own, but never dreamed I could have one. Now Parker's ready to make my dream our reality. But sometimes our dreams are haunted by our deepest fears. Fears of failure, having a child, and in our case ... death. How do I help the person I love get over his fear when I'm still trying to overcome that same fear myself? Together we must learn What's Left of Us. ****WARNING:** This book

is intended for mature audiences.**

A Memoir of Addiction *Kensington Publishing Corp.*

"Blunt and honest. . .A stunning piece of work." --T.J. English
 "Deeply moving. . .What's Left of Us is a rush of blood to the head and heart, the kind only true art can deliver." --Andre Dubus "An amazing story not just of survival, but redemption." --Mary McGarry Morris
 Richie Farrell grew up in a working-class Irish neighborhood in Massachusetts. To overcome a birth defect, his father pushed him to become a star athlete, grooming him for Notre Dame. Sometimes, he would use a belt as a learning tool. Once, he used an electric carving knife. . . The headline read Crippled at Birth: Farrell Now Grid Star. A month later, I tore up my knee and fell in love with pain medication. By time he was thirty, Richie was a heroin addict, stealing from friends, shooting up during visits to his children, living in abandoned mill buildings, running from the shameful secrets of his family. Hopeless and in pain, he attempted suicide. When that failed, he was ordered to detox. He looked at me. "Be honest," he said, "or you'll be on the street in 15 minutes. Jail, death, or honesty. You choose." In this harrowing, astounding memoir, Richard Farrell chronicles a life of desperation, violence, lies--and the pure oblivion of heroin. A gritty, hauntingly written tale of a descent into hell and a slow, uncertain climb out of it, What's Left Of Us is a true story of redemption: of how low a man can get, and how hard he must fight to escape a shattered life. . . "[Farrell] carries you on this rollercoaster ride of ugliness and beauty. Don't miss it." --Phyllis

Karas Richard Farrell is an author, filmmaker, teacher, journalist, and adjunct professor of English at the University of Massachusetts in Lowell. His documentary, High on Crack Street, was aired on HBO and received Columbia University's duPont Award. He is the co-author of A Criminal and an Irishman: The Inside Story of the Mob-IRA Connection. He is the screenwriter for the upcoming film The Fighter, and makes his home in Milford, New Hampshire.

 Life works in mysterious ways. Four years ago I became known as the girl with cancer. I refuse to cry. And I refuse to give in. A relationship with a man is the last thing I'm looking for right now, but one night with Parker changes everything. He is persistent, and he knows what he wants. Me. He doesn't treat me like I'm fragile. But he doesn't know, and I'm not ready to tell him. What if it changes everything? Tragedy found me when I was seventeen. Love found me when I was twenty-one. My name is Aundrea McCall, and this is my journey.

What's Left of Me *Harper Collins*

Fans of Stephenie Meyer's The Host will enjoy What's Left of Me, Kat Zhang's shocking, thought-provoking, and emotionally charged story of two souls sharing one body. What's Left of Me, the first book of the Hybrid Chronicles, is set in an alternate

reality where everyone is born with two souls. But one soul is naturally dominant, and in early childhood, the other soul fades away. That didn't happen for Addie and Eva. Now fifteen, Eva clings to life inside the body she shares with Addie, although she can no longer speak or even move. Addie does everything she can to hide the presence of her sister soul. Eva's very existence is illegal. If their secret is revealed, it could mean death for both of them.

What's Left?

How the Left Lost Its Way *Harpercollins Pub Limited*

Acclaimed political commentator Nick Cohen investigates the confusing current status of his own political affiliates, the Left, in this hard-hitting, no-holds-barred survey. He searches for the seemingly impossible answers to such questions as: Why are apologies for a militant Islam—which stands for everything the liberal-Left is against—coming from the Left? After the American and British wars in Bosnia and Kosovo against Slobodan Milosevic's ethnic cleansers, why were men and women of the Left denying the existence of Serb concentration camps? Why is Palestine a cause for the liberal-Left, but not China, the Sudan, Zimbabwe, or North Korea? And exactly who or what are the Left fighting for? With biting satire and sharp insight, this sprawling survey reclaims the values of democracy and solidarity, identifies the core tenets of modern liberal thought, and established a new, proactive definition of the Left.

What's Left of Me is Yours

A Novel Anchor

"Each chapter of this enrapturing novel is elegantly brief and charged with barely contained emotion." --New York Times Book Review A gripping debut set in modern-day Tokyo and inspired by a true crime, for readers of *Everything I Never Told You* and *The Perfect Nanny*, *What's Left of Me Is Yours* charts a young woman's search for the truth about her mother's life--and her murder. In Japan, a covert industry has grown up around the *wakaresaseya* (literally "breaker-upper"), a person hired by one spouse to seduce the other in order to gain the advantage in divorce proceedings. When Satō hires Kaitarō, a *wakaresaseya* agent, to have an affair with his wife, Rina, both assume it will be an easy case. But Satō has never truly understood Rina or her desires and Kaitarō's job is to do exactly that--until he does it too well. While Rina remains ignorant of the circumstances that brought them together, she and Kaitarō fall in a desperate, singular love, setting in motion a series of violent acts that will forever haunt her daughter's life. In an engrossing dual narrative inspired by a true crime, Stephanie Scott exquisitely renders the affair and its intricate repercussions. As Rina's daughter, Sumiko, fills in the gaps of her mother's story and her own memory, Scott probes the thorny psychological and moral grounds of the actions we take in the name of love, asking where we draw the line between passion and possession.

What's Left Untold *Red Adept Publishing, LLC*

Every secret has its price. Anna Clark and Lia Clay were unlikely best friends in high school, but their yin-and-yang personalities drew them together in a sister-like bond. Then during college, Lia inexplicably walked out on their friendship and disappeared, leaving Anna hurt, confused, and disillusioned. Twenty years later, Anna discovers a letter Lia wrote the summer after high school—a letter that contains a cryptic postscript concealing a devastating truth. With her twenty-year high school reunion approaching, Anna moves closer to uncovering the secret in Lia's letter and the devastating consequences it set in motion. As the layers of deceit and betrayal begin to unravel, Anna is forced to question everything she believes and come to terms with what it means to forgive the one person who hurt her in the worst way imaginable.

What's Left Behind *Kensington Books*

When the person you've built your whole life around is gone, what do you do? It's not the first time Abby Stone has faced the question. At eighteen, she envisioned a future with her childhood sweetheart, Charlie, only to have him go off to school and leave a pregnant Abby behind. But that pales beside a second loss, when her eighteen-year-old son, Luke, falls to his death from his third-floor dorm. Abby throws herself into running her thriving B&B on the coast of Maine. With the help of Rob, a local landscape architect, she plans a backyard labyrinth as a memorial to Luke—a place to find peace and solace. Even as Charlie begins

hanging around again, looking for a chance to do right by her, Abby resolves to look forward, not back. And then Luke's girlfriend arrives on Abby's doorstep—pregnant, as alone as Abby once was—bringing with her the unexpected gift of a new beginning, one that celebrates the past. Rich in emotion and insight, this beautifully written novel explores the depth of a mother's bond, resilience after unimaginable loss, and the way love's memory can fill the gaps in a shattered heart. Praise for Lorrie Thomson's *Equilibrium* "An emotional, complex, and deeply satisfying novel about the power of hope, love, and family. I couldn't put it down!" --Lisa Verge Higgins "Tender, heartbreaking and beautifully realistic. Fans of Anita Shreve will be riveted by this intense and compassionate story." --Hank Phillippi Ryan, *Agatha, Anthony and Macavity*-winning author "Fans of Kristin Hannah and Holly Chamberlin will similarly appreciate this hopeful, uplifting story." --Booklist "Thomson's debut is riveting." --RT Book Reviews

What's Left in Latin America?

Regime Change in New Times *Ashgate Publishing, Ltd.*

This book concerns recent and current political developments in Latin America related to the emergence of left-leaning regimes riding the waves of anti-neoliberalism and a primary commodities boom. Based on five years of field research and a critical engagement with social movements in the region, the book documents the short-term advances and strategic weaknesses of these left-leaning regimes, highlighting their failure to take advantage of favourable economic and political conditions. The

authors profile four cases of recent and current political developments, and the prospects for socialism, in Argentina, Bolivia, Cuba and Venezuela.

The Race for What's Left

The Global Scramble for the World's Last Resources

Metropolitan Books

From Michael Klare, the renowned expert on natural resource issues, an invaluable account of a new and dangerous global competition. The world is facing an unprecedented crisis of resource depletion—a crisis that goes beyond "peak oil" to encompass shortages of coal and uranium, copper and lithium, water and arable land. With all of the planet's easily accessible resource deposits rapidly approaching exhaustion, the desperate hunt for supplies has become a frenzy of extreme exploration, as governments and corporations rush to stake their claim in areas previously considered too dangerous and remote. *The Race for What's Left* takes us from the Arctic to war zones to deep ocean floors, from a Russian submarine planting the country's flag on the North Pole seabed to the large-scale buying up of African

farmland by Saudi Arabia, China, and other food-importing nations. As Klare explains, this invasion of the final frontiers carries grave consequences. With resource extraction growing more complex, the environmental risks are becoming increasingly severe; the Deepwater Horizon disaster is only a preview of the dangers to come. At the same time, the intense search for dwindling supplies is igniting new border disputes, raising the likelihood of military confrontation. Inevitably, if the scouring of the globe continues on its present path, many key resources that modern industry relies upon will disappear completely. The only way out, Klare argues, is to alter our consumption patterns altogether—a crucial task that will be the greatest challenge of the coming century.

What's Left of My World

A Story of a Family's Survival *Createspace Independent Publishing Platform*

Lauren Russell often wondered why her father had been so adamant about teaching her skills that most other fathers wouldn't even consider teaching their daughters. Ever since she was little, she had been taught how to live and survive outdoors, and how to use firearms to protect herself and those around her. Some of the training had been a bit extreme. Or had it been? Many of her questions were answered the day the world as she knew it ended. Now, the skills she had been taught serve an essential purpose. They keep her and those she cares about alive. Even in the sparsely-populated mountains of West Virginia, where she and her family have been forced to relocate for their

safety after the collapse, peril lurks around every corner. Normal life has taken on a whole new meaning for Lauren, her family, and the community they have become a part of. In this different world, the new status quo is self-preservation. There is no more middle ground. People either live, or they die. Lauren's father didn't make it home on the day the world changed forever, and she misses him more than anything. Now, in *What's Left of My World*, she and her family must learn to endure life's horrors-without him.

What's Left of the World

Education, Identity and the Post-Work Political Imagination *John Hunt Publishing*

In 1960, Paul Goodman argued that the Fordist system that treated people as mere cogs in a machine had created a profound unhappiness in young people and in American society as a whole. More than half a century later, professor David Blacker recognizes that decades of neoliberalism have pushed young people beyond unhappiness and into a collective identity crisis. Overall, Americans no longer feel needed to do jobs that had previously anchored them in society and are becoming disconnected and purposeless. The proliferation of new identities, based not on work but on consumption, is symptomatic of neoliberalism and its hyper-commodification and deregulation of everyday life.

What's Left of Human Nature?

A Post-Essentialist, Pluralist, and Interactive Account of a Contested Concept *MIT Press*

A philosophical account of human nature that defends the concept against dehumanization, Darwinian, and developmentalist challenges. Human nature has always been a foundational issue for philosophy. What does it mean to have a human nature? Is the concept the relic of a bygone age? What is the use of such a concept? What are the epistemic and ontological commitments people make when they use the concept? In *What's Left of Human Nature?* Maria Kronfeldner offers a philosophical account of human nature that defends the concept against contemporary criticism. In particular, she takes on challenges related to social misuse of the concept that dehumanizes those regarded as lacking human nature (the dehumanization challenge); the conflict between Darwinian thinking and essentialist concepts of human nature (the Darwinian challenge); and the consensus that evolution, heredity, and ontogenetic development result from nurture and nature. After answering each of these challenges, Kronfeldner presents a revisionist account of human nature that minimizes dehumanization and does not fall back on outdated biological ideas. Her account is post-essentialist because it eliminates the concept of an essence of being human; pluralist in that it argues that there are different things in the world that correspond to three different post-essentialist concepts of human nature; and interactive because it understands nature and nurture as interacting at the developmental, epigenetic, and evolutionary levels. On the basis of this, she introduces a dialectical concept of an ever-changing and “looping” human nature. Finally, noting the

essentially contested character of the concept and the ambiguity and redundancy of the terminology, she wonders if we should simply eliminate the term “human nature” altogether.

What's Left of Me

A contemporary romance about courage, loss, and moving on. Callie Kingston's life as an Orange County housewife isn't as perfect as it seems. Her husband isn't the same man she fell in love with nine years ago, and her home is no longer her safe haven. But she's determined to keep up appearances, especially when it comes to concealing the bruises her husband's temper leaves behind. Until Cole Luciano moves into her best friend's house across the street. He's abrasive and rude, but his steel-blue eyes tell a different story—one with dark secrets that has Callie curious. After suffering through an unspeakable tragedy, Cole settles into his sister's pool house until he can get back on his feet. He's convinced that he deserves to live with the guilt he harbors from his past, and wants nothing more than to be left alone. Yet he can't seem to stay away from his beautiful neighbor. He sees right through Callie's carefully orchestrated lies and is desperate to help her. Callie discovers more than an angry and bitter man underneath Cole's hard exterior. But when Callie finally finds the courage to create a new life for herself, Cole isn't sure if there's enough of his heart left to give in order to be the man she deserves. Can two broken souls heal each other, or are some just too damaged to be put back together? This book contains some graphic scenes and very sensitive subject matter.

What's Left Unsaid

A Novel *Lake Union Publishing*

An enthralling novel of secrets, second chances, and confronting the past by the Wall Street Journal bestselling author of *When I'm Gone*. After a series of devastating losses, Chicago journalist Hannah Williamson has landed in Senatobia, Mississippi, to care for her bedridden grandmother and endure grunt work at a small newspaper. But in cleaning out its archives, Hannah discovers a compelling distraction from her life: a series of rejected articles from the 1930s that illuminate a long-hidden mystery. The articles, penned by a young woman named Evelyn, are haunting accounts of first love, trauma, and surviving a mysterious shooting that left Evelyn paralyzed at the age of fourteen. The articles stir up more questions than answers, and Hannah becomes consumed by what's left unsaid. Encouraged by Guy Franklin, a local middle school teacher, Hannah's investigation into Evelyn's past becomes more personal with each new reveal. For Hannah, as both a journalist and a woman bearing her own emotional wounds, this is a chance to move forward and bring closure to the story of the girl whose secrets are buried in Senatobia. What Hannah's about to discover next is that, even after nearly a century, the truth she's been looking for still has the power to change lives. Especially her own.

What's Left Us *Anchor Canada*

What's Left Us is a stunning fiction debut by one of the most promising new writers in Canada. The novella and stories in these pages startle and engage the reader with their humour, warmth and grace. The novella traces one week in the life of a young, unmarried Irish woman about to give birth. The heroine is a hip,

independent woman who muses on memory, love, loss and inheritance in a clever, wry and moving way. The other stories are set in Dublin, the U.K., Vancouver and Ontario and continue Hunter's funny and insightful exploration of quirky characters and situations. *What's Left Us* offers us exacting and exciting words by a prodigiously talented young writer.

An Illustrated Book of Loaded Language

Learn to Hear What's Left Unsaid *The Experiment*

"This is a book for every thinking person, the perfect antidote to today's culture wars."—Hope Jahren The creators of *An Illustrated Book of Bad Arguments* return with this desperately timely guide to how words can trick us. Learn to "hear" hidden bias, slant, and spin—from an irresistible cast of woodland creatures! Public discourse? More like public discord. The battle cries of our culture wars are rife with "loaded language"—be it bias, slant, or spin. But listen closely, or you'll miss what Ali Almosawi finds more frightening still: words that erase accountability, history, even identity through what they leave unsaid. Speaking as wise old Mr. Rabbit, Almosawi leads us through a dark forest of rhetoric—aided by Orwell, Baldwin, and a squee-worthy cast of wide-eyed woodland creatures. Here, passive voice can pardon wrongdoers, statistics may be a smokescreen, gaslighting entraps the downtrodden, and irrelevant adjectives cement stereotypes. Emperor Squirrel isn't naked; he has a clothes-free sartorial style. Mouse's roof becomes flattened (Elephant's foot just happens to be there at the time). And when keen-eyed Owl claims a foreign shore, he seems to be overlooking someone . . .

Fans of Almosawi's *An Illustrated Book of Bad Arguments* couldn't ask for a better primer on the less logical ways that words can trick us. It takes a long pair of ears to hear what's left unsaid—but when you're a rabbit in a badger world, listening makes all the difference.

What's Left of the Left

Democrats and Social Democrats in Challenging Times *Duke University Press*

In *What's Left of the Left*, distinguished scholars of European and U.S. politics consider how center-left political parties have fared since the 1970s. They explore the left's responses to the end of the postwar economic boom, the collapse of the Soviet Union, the erosion of traditional party politics, the expansion of market globalization, and the shift to a knowledge-based economy. Their comparative studies of center-left politics in Scandinavia, France, Germany, southern Europe, post-Cold War Central and Eastern Europe, the United Kingdom, and the United States emphasize differences in the goals of left political parties and in the political, economic, and demographic contexts in which they operate. The contributors identify and investigate the more successful center-left initiatives, scrutinizing how some conditions facilitated them, while others blocked their emergence or limited their efficacy. In the contemporary era of slow growth, tight budgets, and rapid technological change, the center-left faces pressing policy concerns, including immigration, the growing population of the working poor, and the fate of the European Union. This collection suggests that such matters present the left with daunting but by

no means insurmountable challenges. Contributors Sheri Berman James Cronin Jean-Michel de Waele Arthur Goldhammer Christopher Howard Jane Jenson Gerassimos Moschonas Sofia Pérez Jonas Pontusson George Ross James Shoch Sorina Soare Ruy Teixeira

Loving What's Left *Createspace Independent Publishing Platform*

In the blink of an eye, two lives are changed . . . Army Lieutenant Kit Vail has finally escaped the loving protection of her older brother, although it has taken a tour in Iraq to accomplish it. Meanwhile, at an Air Force Base several hours away, lone-wolf fighter pilot Captain Hawk Hawkins is yanked out of his perfect lifestyle by a call from his long-time friend, Kit's older brother. Captain Mark Vail calls in a marker and demands that Hawk drop everything and make a trip to Camp Taji to check on his baby sister—a woman he has never met. Despite their initial animosity, there is an underlying attraction, but sparks fly when neither is prepared to give up his or her independence. Then fate intervenes in the form of an IED (Improvised Explosive Device).

What's Left Behind

"The latest novel in the Joanne Kilbourn Shreve series opens in the month of May, a time of beginnings when all things seem

possible. Joanne's husband, Zack, recently elected mayor of Regina, is optimistic that he can garner the public support necessary to make Regina a city that works--not just for the few, but for the many. Their oldest son Peter is marrying Maisie Crawford, a woman as clever and forthright as she is lovely. Their lakeside wedding is a dream come true, but when a former lover of a member of the bridal party shows up, the dream becomes a nightmare. Before the bride's bouquet has wilted, there's an act of sickening cruelty; soon afterwards, there's a murder"--Provided by Publisher.

The Falling Woman

A Novel *Algonquin Books*

"This is the kind of novel I like best . . . Great writing, great plotting, and a thoughtful plumbing of what makes us human." —B. A. Shapiro, bestselling author of *The Art Forger* and *The Collector's Apprentice* First, it's just a barely believable rumor: one person may have survived the midair explosion of a passenger jet on a cross-country course from Washington, DC, to San Francisco. But soon she becomes a national media sensation when "the Falling Woman," as the press dubs her, is said to have been taken to a Wichita hospital—and then to have disappeared without a trace. As a dedicated National Transportation Safety Board agent joins the search for clues, he becomes drawn into the woman's moving and personal fight to keep secret the story of her survival, even from her own family, and possibly at risk to his own career. *The Falling Woman* is a novel that asks compelling and controversial questions about the value of life and

what should be sacrificed in the name of love.

All That's Left in the World *HarperCollins*

What If It's Us meets *Life as We Knew It* in this postapocalyptic, queer YA adventure romance from debut author Erik J. Brown. Perfect for fans of Adam Silvera and Alex London. When Andrew stumbles upon Jamie's house, he's injured, starved, and has nothing left to lose. A deadly pathogen has killed off most of the world's population, including everyone both boys have ever loved. And if this new world has taught them anything, it's to be scared of what other desperate people will do . . . so why does it seem so easy for them to trust each other? After danger breaches their shelter, they flee south in search of civilization. But something isn't adding up about Andrew's story, and it could cost them everything. And Jamie has a secret, too. He's starting to feel something more than friendship for Andrew, adding another layer of fear and confusion to an already tumultuous journey. The road ahead of them is long, and to survive, they'll have to shed their secrets, face the consequences of their actions, and find the courage to fight for the future they desire, together. Only one thing feels certain: all that's left in their world is the undeniable pull they have toward each other.

The Negro Motorist Green Book

1940 Edition *Colchis Books*

The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever

he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

A Criminal and An Irishman

The Inside Story of the Boston Mob-IRA Connection *Steerforth*

Former rival and associate of James "Whitey" Bulger tells all. After returning from Vietnam where he served as a combat Marine, Pat Nee fought a gang war against Whitey Bulger. When members of Nee's Mullen gang killed the leader of Bulger's Killeen faction, Nee arranged for the dispute to be mediated by Howie Winter and Patriarca crime family captain Joseph Russo. The two gangs joined forces, with Winter as overall boss. When Winter was convicted of fixing horse races in 1979, Bulger became leader, and Nee responded by concentrating his energy on raising money and smuggling guns to the Provisional IRA. Disgusted by Bulger's brutality, and increasingly focused on the Irish cause, Nee distanced himself from his former ally. Ultimately it was revealed that, for years, Bulger had served as an FBI informant. *A Criminal and an Irishman* is the story of Pat Nee's

life as an Irish immigrant and Southie son, a Marine, a convicted IRA gun smuggler, and a former violent rival and then associate of James "Whitey" Bulger. His narrative transports the reader into the criminal underworld, inside planning and preparation for an armored car heist, inside gang wars and revenge killings. Nee details his evolution from tough street kid to armed robber to dangerous potential killer, and discloses for the first time how he used his underworld connections and know-how as a secret, Boston-based operative for the Irish Republican Army. For years Pat smuggled weapons and money from the United States to Ireland - in the bottoms of coffins, behind false panels of vans - leading up to a transatlantic shipment of seven and a half tons of munitions aboard the fishing trawler Valhalla. No other Southie underworld figure can match Pat's reputation for resolve and authenticity. From the Trade Paperback edition.

We Are Not from Here *Penguin*

A poignant novel of desperation, escape, and survival across the U.S.-Mexico border, inspired by current events. A Pura Belpré 2021 Young Adult Author Honor Book! A BookPage Best Book of 2020! A Chicago Public Library Best of the Best of 2020! A School Library Journal Best Book of 2020! A New York Public Library 2020 Top 10 Best Book for Teens! Pulga has his dreams. Chico has his grief. Pequeña has her pride. And these three teens have one another. But none of them have illusions about the town they've grown up in and the dangers that surround them. Even with the love of family, threats lurk around every corner. And when those threats become all too real, the trio knows they have no choice but to run: from their country, from their families, from their

beloved home. Crossing from Guatemala through Mexico, they follow the route of La Bestia, the perilous train system that might deliver them to a better life--if they are lucky enough to survive the journey. With nothing but the bags on their backs and desperation drumming through their hearts, Pulga, Chico, and Pequeña know there is no turning back, despite the unknown that awaits them. And the darkness that seems to follow wherever they go. In this striking portrait of lives torn apart, the plight of migrants at the U.S. southern border is brought to light through poignant, vivid storytelling. An epic journey of danger, resilience, heartache, and hope. Praise for *We Are Not From Here*: "A fierce and tender story...Relevant, timely, and perceptive." --Margarita Engle, winner of the Pura Belpré Award and Newbery Honor "With poignant, exhausting lyricism and heart wrenching poetic prose, Jenny Torres Sanchez digs deep and shows us the throbbing, aching corazón--the hopeful, unbreakable spirit of the embattled immigrant. Educated

A Memoir *Random House*

#1 NEW YORK TIMES, WALL STREET JOURNAL, AND BOSTON GLOBE BESTSELLER • One of the most acclaimed books of our time: an unforgettable memoir about a young woman who, kept out of school, leaves her survivalist family and goes on to earn a PhD from Cambridge University "Extraordinary . . . an act of courage and self-invention."—The New York Times NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW • ONE OF PRESIDENT BARACK OBAMA'S FAVORITE BOOKS OF THE YEAR • BILL GATES'S HOLIDAY READING LIST •

FINALIST: National Book Critics Circle's Award In Autobiography and John Leonard Prize For Best First Book • PEN/Jean Stein Book Award • Los Angeles Times Book Prize Born to survivalists in the mountains of Idaho, Tara Westover was seventeen the first time she set foot in a classroom. Her family was so isolated from mainstream society that there was no one to ensure the children received an education, and no one to intervene when one of Tara's older brothers became violent. When another brother got himself into college, Tara decided to try a new kind of life. Her quest for knowledge transformed her, taking her over oceans and across continents, to Harvard and to Cambridge University. Only then would she wonder if she'd traveled too far, if there was still a way home. "Beautiful and propulsive . . . Despite the singularity of [Westover's] childhood, the questions her book poses are universal: How much of ourselves should we give to those we love? And how much must we betray them to grow up?"—Vogue

Invisible Child

Poverty, Survival & Hope in an American City (Pulitzer Prize Winner) *Random House*

PULITZER PRIZE WINNER • A "vivid and devastating" (The New York Times) portrait of an indomitable girl—from acclaimed journalist Andrea Elliott "From its first indelible pages to its rich and startling conclusion, *Invisible Child* had me, by turns, stricken, inspired, outraged, illuminated, in tears, and hungering for reimmersion in its Dickensian depths."—Ayad Akhtar, author of *Homeland Elegies* ONE OF THE TEN BEST BOOKS OF THE YEAR: The New York Times • ONE OF THE BEST BOOKS OF THE YEAR: The Atlantic, The New York Times Book Review, Time, NPR, Library Journal In *Invisible Child*, Pulitzer Prize winner Andrea Elliott follows eight dramatic years in the life of Dasani, a girl whose imagination is as soaring as the skyscrapers near her Brooklyn shelter. In this sweeping narrative, Elliott weaves the story of Dasani's childhood with the history of her ancestors, tracing their passage from slavery to the Great Migration north. As Dasani comes of age, New York City's homeless crisis has exploded, deepening the chasm between rich and poor. She must guide her siblings through a world riddled by hunger, violence, racism, drug addiction, and the threat of foster care. Out on the street, Dasani becomes a fierce fighter "to protect those who I love." When she finally escapes city life to enroll in a boarding school, she faces an impossible question: What if leaving poverty means abandoning your family, and yourself? A work of luminous and riveting prose, Elliott's *Invisible Child* reads like a page-turning novel. It is an astonishing story about the power of resilience, the importance of family and the cost of inequality—told through the crucible of one remarkable girl. Winner of the J. Anthony Lukas Book Prize • Finalist for the Bernstein Award and the PEN/John Kenneth Galbraith Award

"This book will make you cry, think, and then cry some more."
—Nicola Yoon, #1 New York Times bestselling author of *Everything, Everything* From the New York Times bestselling author of *More Happy Than Not* comes an explosive examination of grief, mental illness, and the devastating consequences of refusing to let go of the past. When Griffin's first love and ex-boyfriend, Theo, dies in a drowning accident, his universe implodes. Even though Theo had moved to California for college and started seeing Jackson, Griffin never doubted Theo would come back to him when the time was right. But now, the future he's been imagining for himself has gone far off course. To make things worse, the only person who truly understands his heartache is Jackson. But no matter how much they open up to each other, Griffin's downward spiral continues. He's losing himself in his obsessive compulsions and destructive choices, and the secrets he's been keeping are tearing him apart. If Griffin is ever to rebuild his future, he must first confront his history, every last heartbreaking piece in the puzzle of his life.

Belonging

A German Reckons with History and Home *Scribner*

* Winner of the National Book Critics Circle Award * Silver Medal Society of Illustrators * * Named a Best Book of the Year by The New York Times, The Boston Globe, San Francisco Chronicle, NPR, Comics Beat, The Milwaukee Journal-Sentinel, Kirkus Reviews, and Library Journal This "ingenious reckoning with the past" (The New York Times), by award-winning artist Nora Krug investigates

the hidden truths of her family's wartime history in Nazi Germany. Nora Krug was born decades after the fall of the Nazi regime, but the Second World War cast a long shadow over her childhood and youth in the city of Karlsruhe, Germany. Yet she knew little about her own family's involvement; though all four grandparents lived through the war, they never spoke of it. After twelve years in the US, Krug realizes that living abroad has only intensified her need to ask the questions she didn't dare to as a child. Returning to Germany, she visits archives, conducts research, and interviews family members, uncovering in the process the stories of her maternal grandfather, a driving teacher in Karlsruhe during the war, and her father's brother Franz-Karl, who died as a teenage SS soldier. In this extraordinary quest, "Krug erases the boundaries between comics, scrapbooking, and collage as she endeavors to make sense of 20th-century history, the Holocaust, her German heritage, and her family's place in it all" (The Boston Globe). A highly inventive, "thoughtful, engrossing" (Minneapolis Star-Tribune) graphic memoir, *Belonging* "packs the power of Alison Bechdel's *Fun Home* and David Small's *Stitches*" (NPR.org).

It Ends with Us

A Novel *Pocket Books*

In this "brave and heartbreaking novel that digs its claws into you and doesn't let go, long after you've finished it" (Anna Todd, New York Times bestselling author) from the #1 New York Times bestselling author of *All Your Perfects*, a workaholic with a too-good-to-be-true romance can't stop thinking about her first love.

Lily hasn't always had it easy, but that's never stopped her from working hard for the life she wants. She's come a long way from the small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily's life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He's also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn't hurt. Lily can't get him out of her head. But Ryle's complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his "no dating" rule, she can't help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and tender novel, *It Ends with Us* is "a glorious and touching read, a forever keeper. The kind of book that gets handed down" (USA TODAY).

The Heart of War

Book Seven of the What's Left of My World Series

"...I want so much to blame you for this. You got me involved and started me on a path. You educated me and taught me how to think. You showed me how to look at everything and everyone differently, taught me skills and had others teach me. You readied me to make war with hell, Dad...and then...you never

came home. This person I've become...you created her; everything suppressed and lying dormant was awakened by what you did..." -Lauren Russell (from *INDIVISIBLE*, Book 6 of the *What's Left of My World Series*) A world subjugated by tyranny. A society unraveled. A nation in shambles. A population decimated. A future boundlessly uncertain. A community of families on the verge of extinction. The Russell family is finally reunited and the citizens of Trout Run Valley are blessed with a period of repose, but the interlude does not last. Measures of aggression resume against them yet again, only this time, escalate to an unprecedented degree of ruthlessness, forcing the surviving victims to their breaking points. Lauren Russell has fearlessly fought for her community, for her family and friends, for herself, and for the rights of those foreign to her. Now, she finds herself battling insurmountable odds once again for everything she has left—for what's left of her world. How far will Lauren go to put an end to the oppression that has so relentlessly plagued her existence? Will she right all the wrongs on her own? Will she go to war?

Fahrenheit 451

A Novel *Simon and Schuster*

A totalitarian regime has ordered all books to be destroyed, but one of the book burners suddenly realizes their merit.

What's Left of Us

A year ago their lives were changed forever. Calla Jensen, a college freshman at University of Alabama, can't move on. Her

loss of faith in God, and in herself, has her frozen and stagnant. But time doesn't stop for any one, and no matter how much she fights it, making new friends and leaving her past behind is inevitable. When her college roommate drags her to an event on campus, she doesn't expect to come face to face with the person whose life she almost ruined. Old wounds open up and together they must come to terms with the events that led to three best friends being torn apart. But Calla has been keeping something back, and it could destroy the fragile ties she is slowly building back with the people she loves. Can faith be renewed and can God help her heal? What happened the day everything fell apart?

What She Left Behind

A Haunting and Heartbreaking Story of 1920s Historical Fiction *Kensington Books*

Half a million copies sold! The breakout novel from the New York Times bestselling author of *The Orphan Collector*, *What She Left Behind* weaves together riveting stories of past and present, exploring the strength of women in two different times as they

face adversity in two very different ways. Go inside the horrifying walls of a 1920s New York asylum as a wrongly imprisoned woman fights for what is most important to her—and meet the young woman confronting the pain and mystery of her own family's mental illness two generations later. Ten years ago, Izzy Stone's mother fatally shot her father while he slept. Devastated by her mother's apparent insanity, Izzy, now seventeen, refuses to visit her in prison. But her new foster parents, employees at the local museum, have enlisted Izzy's help in cataloging items at a long-shuttered state asylum. There, amid piles of abandoned belongings, Izzy discovers a stack of unopened letters, a decades-old journal, and a window into her own past. Young flapper and suffragette Clara Cartwright is caught between her overbearing parents and her desire to be a modern woman. Furious when she rejects an arranged marriage, instead finding love with an Italian Immigrant, Clara's father sends her to a genteel home for nervous invalids. But when his fortune is lost in the stock market crash of 1929, he can no longer afford her care—and Clara is committed to the public asylum. Even as Izzy deals with the challenges of yet another new beginning, Clara's story keeps drawing her into the past. If Clara was never really mentally ill, could something else explain her own mother's violent act? Piecing together Clara's fate compels Izzy to re-examine her own choices—with shocking and unexpected results. "Screams with authenticity, depth, and understanding." —The New York Journal of Books "A real page turner...will appeal to all readers of fiction." —The Historical Novels Review "Amazing...A great read!" —The San Francisco Book Review "Will both haunt and inspire you... a moving, and at times chilling story that totally

endears you to her characters.” —SpaWeek “A great coming-of- age story.” —School Library Journal
