Human Rights And Immigration The

Human rights violations against migrants can include a denial of civil and political rights such as arbitrary detention, torture, or a lack of due process, as well as economic, social and cultural rights such as the rights to health, housing or education. The denial of migrants’ rights is often closely linked to discriminatory laws and to deep-seated attitudes of prejudice or xenophobia.

OHCHR | Migration and Human Rights

Human Rights and Immigration. Numerous international human rights documents firmly establish the principle that no human being can be “illegal” or outside the protection of the law. Yet despite the clearly established principle that discrimination and abuse based on immigration status are violations of human rights, U.S. government policies continue to sanction human rights violations against migrants and immigrants.
