The Complete Robert Johnson

The Complete Recordings is a compilation album by American Delta blues musician Robert Johnson. The 41 songs were recorded in two sessions in Dallas and San Antonio, Texas for the American Record Company during 1936 and 1937. Most were first released on 78 rpm records in 1937. The Complete Recordings, released August 28, 1990, by Columbia Records, contains every recording Johnson is known to have made, with the exception of an alternate take of "Travelling Riverside Blues". I have not bought this album and the reason why is that Robert Johnson recorded 29 songs not 28 and for some absurd reason they have not included "Last Fair Deal" on this supposed "complete" collection. Therefore I advise anyone wishing to buy Robert Johnson recordings to get a real complete recordings instead of this sadly incomplete one.

After buying this compilation, I listened to what might be the complete discography of Robert Johnson. I found his voice somewhat shrill for a blues singer and his guitar-playing, while ground-breaking, a bit high-pitched. The speed of the guitar-playing obviously inspired the myth about Johnson's deal with the devil at the crossroads.

In practical terms, there's not much need for Robert Johnson 's The Complete Recordings: The Centennial Collection. There are no undiscovered master or alternate takes, new remastering can only improve the original acetates and 78s so much, and apart from the sequencing of alternate takes after the masters, a debatable merit for listenability, the original 1990 box set The Complete Recordings did everything right.

As the title implies, The Complete Recordings contains all of Johnson 's recorded material, including a generous selection of alternate takes. All of the alternates are sequenced directly after the master, which can make listening to the album a little intimidating and tedious for novices. Certainly, the alternates can be programmed out with a CD player or mp3 player, but the set would have been more palatable if the alternate takes were presented on a separate disc.
