Clearly written, with an engaging personal touch, Miraculous Response is an important contribution at several levels: it provides a detailed local case study of contemporary state-religion relations, describes the complex dynamics at work in rural elite politics in the post-Mao era, and provides a feast of new concepts and insights of broader relevance to anthropological history."

Miraculous Response: Doing Popular Religion in ...

Chau had done fieldwork in a large Chinese temple for over a year but there was The author was very strong on his theory. When discussing the different approaches anthropolgists who'd studied Chinese religion in the past had taken and when he was talking about the strengths and weaknesses of their different theories I was nearly always in agreement with him.
