[(Lemonade in Winter: A Book about Two Kids Counting ...

Book Description: Pauline and John-John decide to have a lemonade stand in the middle of winter. Young readers can learn to count coins with Pauline and John-John as they count their coins, buy ingredients and sell lemonade. Story: This book has a great concept: teaching children about money, how to count it, spend it, and save it. I think the book even does a good job in the way it presents coins and counting them and identifying their worth.

Amazon.co.uk:Customer reviews:**Lemonade in Winter: A Book ...**

It's a cute story about two kids in the city who run a lemonade stand in the middle of winter. It talks about counting American money, coins and dollars, and even a bit about running a business. Pretty unique subject matter and great for a wide age range. I love the writing, which I don't usually notice in kids books, unless it's especially bad.

Amazon.com: Customer reviews: Lemonade in Winter: A Book ...

A lemonade stand in winter? Yes, that's exactly what Pauline and John-John intend to have, selling lemonade and limeade—and also lemon-limeade. With a catchy refrain (Lemon lemon LIME, Lemon LIMEADE!
