The MSc Econometrics and Mathematical
Economics is a technically rigorous
programme designed to meet the needs
of those who have a strong quantitative
background wishing to study economics.
It is aimed at mathematicians,
statisticians, physical scientists and
engineers, as well as graduate

economists. The programme begins with a compulsory introductory course designed to provide you with the essential foundations in macroeconomics, microeconomics and econometrics.

MSc Econometrics and Mathematical Economics

It has been twenty years since the last

edition of this classic book. Kevin Wainwright (British Columbia University and Simon Fraser University), a long time user of the text, has executed the perfect revision: he has updated examples, applications and theory without changing the elegant, precise presentation style of Alpha Chiang. Readers will find the wait was worthwhile.
