Postman's book Amusing Ourselves to Death opens by saying that Aldous Huxley's vision of the future in his book, Brave New World, is one we ought to pay close attention to. Unlike another dystopian novelist, George Orwell, Huxley foresaw that we would eventually be destroyed by that which we love most: entertainment, leisure, and laughter.

Amusing Ourselves to Death by Neil Postman Plot Summary ...

Workers in the US have moved up just behind Asian countries when it comes to time spent at work. The Japanese put in so much time at the office there's even a term, *karoshi*, which literally means "death from overwork," and is typically linked to either a heart attack or stroke due to stress. In America we're not there yet — but we're headed down that road, and we're not getting anything back for all the extra time we're putting in at the

office.
