A History of the World in Six Glasses *Anchor Canada*

Whatever your favourite tippie, when you pour yourself a drink, you have the past in a glass. You can likely find them all in your own kitchen — beer, wine, spirits, coffee, tea, cola. Line them up on the counter, and there you have it: thousands of years of human history in six drinks. Tom Standage opens a window onto the past in this tour of six beverages that remain essentials today. En route he makes fascinating forays into the byways of western culture: Why were ancient Egyptians buried with beer? Why was wine considered a “classier” drink than beer by the Romans? How did rum grog help the British navy defeat Napoleon? What is the relationship between coffee and revolution? And how did Coca-Cola become the number one poster-product for globalization decades before the term was even coined?

The 60-Second Novelist

What 22,613 People Taught Me About Life *HCI*

On Sunday, April 24, 1983, at about 2 p.m., I carried my 28 -pound 1953 Royal typewriter and a folding chair through the stiff wind of Chicago's Michigan Avenue, In front of the Old Water, Tower, I opened the folding chair, sat down with the typewriter in my lap and taped a sign to the back of it "60-Second Novels, Written While you Wait." So begins the most original book in a generation—Dan Hurley's inspiring true tale of how he escaped his desk job to write the life: stories of over 22,613 people (and counting!), from Chicago to New York, in Iowa farmhouses, Midwestern, malls and California convenience stores. Hurley has listened as children and crack addicts, the homeless and the famous, poured out their confessions and a lifetime of wisdom. Now he shares the most incredible true stories he's heard (including the one from a pretty woman named Alice; whom he ended up marrying) and what they taught him about life, love, health, money and making dreams -come true. With over one hundred photographs and sixty of the original stories he wrote for Vanna White, Tom Brokaw and thousands of, other people you've never heard of You will laugh, cry, and feel as..though Dan packed you into his suitcase alongside his typewriter.

Model Rules of Professional Conduct *American Bar Association*

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

CEO Excellence

The Six Mindsets That Distinguish the Best Leaders from the Rest *Simon and Schuster*

From the world's most influential management consulting firm, McKinsey & Company, an insight-packed, revelatory look at how the best CEOs do their jobs based on extensive interviews with today's most successful corporate leaders—including chiefs at Netflix, JPMorgan Chase, General Motors, and Sony. Being a CEO at any of the world's largest companies is among the most challenging roles in business. Billions, and even trillions, are at stake—and the fates of tens of thousands of employees often hang in the balance. Yet, even when “can't miss” high-achievers win the top job, very few excel. Thirty percent of Fortune 500 CEOs last fewer than three years, and two out of five new CEOs are perceived to be failing within eighteen months. For those who shoulder the burden of being the one on whom everyone counts, a manual for excellence is sorely needed. To identify the 21st century's best CEOs, the authors of CEO Excellence started with a pool of over 2400 public company CEOs. Extensive screening distilled that group into an elite corps, sixty-seven of whom agreed to in-depth, multi-hour interviews. Among those sharing their views: Jamie Dimon (JPMorgan Chase), Satya Nadella (Microsoft), Reed Hastings (Netflix), Kazuo Hirai (Sony), Ken Chenault (American Express), Mary Barra (GM), and Peter Brabeck-Letmathe (Nestlé). What came out of those frank, no-holds-barred conversations is a rich array of mindsets and actions that deliver outsized performance. Compelling, practical, and unprecedented in scope, CEO Excellence is a treasure trove of wisdom from today's most elite business leaders.

Write Your Book in a Flash

The Paint-by-Numbers System to Write the Book of Your Dreams—Fast! *TCK Publishing*
Write your business book without wasting time or money—a “superb” guide for executives, entrepreneurs, and thought leaders (Henry DeVries, author of Persuade with a Story). Write Your Book in a Flash shows how to get focused fast, so you can write your book without tearing your hair out. As with any enterprise, writing a book requires a clear system—or nothing gets finished. Unlike books that show you why you should write a book, this book actually shows you how to write a book! You’ll discover: How to write a simple outline that makes the writing process faster and easier How to get stunning testimonials to help sell your book How to find and manage beta readers who will share honest feedback before the book is published How to research interesting ideas, stories, and facts so you never run out of ideas or information How to overcome “The Imposter Syndrome” and other limiting beliefs that stifle nearly every would-be author Clear examples that show you what to do (and what not to do) Empowering exercises that show you how to write better and faster Simple how-to steps anyone can follow to write a book Business leaders who write books get more

clients at higher fees, have more impact, develop more credibility, and have more influence where it matters most: in front of clients, customers, and prospects. This is the perfect book to read if you are a thought leader, entrepreneur or business executive who wants to write a business book to build your personal brand, open doors to new opportunities, and leave a legacy of wisdom to future generations.

Best Answers to the 201 Most Frequently Asked Interview Questions *McGraw-Hill*
MORE answers to MORE questions than any other interviewing guide. Sell yourself with style and win the interview game! The most crucial part of your job search is knowing how to respond to the toughest interview questions ù because the best candidate doesn't necessarily get the job....the best interviewee does! In Best Answers to the 201 Most Frequently Asked Interview Questions, career expert Matthew J. DeLuca reveals the secret agenda behind every kind of question interviewers ask, and prepares you to answer them all. Never again be at loss for words when an interviewer hits you with an icebreaker...thought provoker...curve ball...stress tester...and even an illegal question that shouldnÆt be asked but needs an answer. **The Everything Store**

Jeff Bezos and the Age of Amazon *Little, Brown*
The authoritative account of the rise of Amazon and its intensely driven founder, Jeff Bezos, praised by the Seattle Times as "the definitive account of how a tech icon came to life." Amazon.com started off delivering books through the mail. But its visionary founder, Jeff Bezos, wasn't content with being a bookseller. He wanted Amazon to become the everything store, offering limitless selection and seductive convenience at disruptively low prices. To do so, he developed a corporate culture of relentless ambition and secrecy that's never been cracked. Until now. Brad Stone enjoyed unprecedented access to current and former Amazon employees and Bezos family members, giving readers the first in-depth, fly-on-the-wall account of life at Amazon. Compared to tech's other elite innovators -- Jobs, Gates, Zuckerberg -- Bezos is a private man. But he stands out for his restless pursuit of new markets, leading Amazon into risky new ventures like the Kindle and cloud computing, and transforming retail in the same way Henry Ford revolutionized manufacturing. The Everything Store is the revealing, definitive biography of the company that placed one of the first and largest bets on the Internet and forever changed the way we shop and read.
