A Ciascuno Il Suo

To Each His Own *New York Review of Books*

This letter is your death sentence. To avenge what you have done you will die.

But what has Manno the pharmacist done? Nothing that he can think of. The next day he and his hunting companion are both dead. The police investigation is inconclusive. However, a modest high school teacher with a literary bent has noticed a clue that, he believes, will allow him to trace the killer. Patiently, methodically, he begins to untangle a web of erotic intrigue and political calculation. But the results of his amateur sleuthing are unexpected—and tragic. *To Each His Own* is one of the masterworks of the great Sicilian novelist Leonardo Sciascia—a gripping and unconventional detective story that is also an anatomy of a society founded on secrets, lies, collusion, and violence.

A Man's Blessing

A novel set in Sicily. The anonymous letter arrived in the afternoon mail. The message, spelled out in words that had been cut from a newspaper, read: "This letter is your death sentence. To avenge what you have done, you will die."

A ciascuno il suo cinema

Twentieth-century Italian Literature in English Translation

An Annotated Bibliography 1929-1997 *University of Toronto Press*

This bibliography lists English-language translations of twentieth-century Italian literature published chiefly in book form between 1929 and 1997, encompassing fiction, poetry, plays, screenplays, librettos, journals and diaries, and

correspondence.

Encyclopedia of Italian Literary Studies: A-J *Taylor & Francis*

Containing almost 600 entries, this impressive 2-volume reference presents detailed and authoritative treatment of the field of Italian literature, with attention both to the work and influence of individual writers of all genres and to movements, styles, and critical approaches.

A ciascuno il suo... prot!

A ciascuno il suo *Adelphi Edizioni spa*
Il romanzo dell'oscura, crudele Sicilia. Il dramma di un investigatore lucido che, quanto più indagava, tanto più «nell'equivoco, nell'ambiguità,

moralmente e sensualmente si sentiva coinvolto».

A ciascuno il suo... *tab edizioni*

Apparso per la prima volta ne «El cuento semanal» nel 1907, e successivamente pubblicato nel 1908, Cada uno... narra la storia di Enrique Arcos soffermandosi sulle motivazioni che lo spinsero a prendere i voti e a vivere in un convento di gesuiti. Questa prima traduzione italiana del breve romanzo scritto da Emilia Pardo Bazán vuole essere un tentativo di favorire ulteriori approfondimenti utili a diffondere l'originalità e la creatività di un'autrice che ha riscosso tanti consensi, soprattutto durante gli anni d'oro della sua carriera (1881 e 1891), e altrettante critiche da parte dei suoi contemporanei,

che spesso la screditarono per la sua produzione, giudicata poco affine alla sua condizione di donna e di cristiana. Testo spagnolo a fronte.

A ciascuno il suo lago

Racconti d'acqua *Mimesis*

I racconti, in stile minimalista, hanno come centro l'intimità dell'uomo e dello scrittore sullo sfondo della dimensione urbana. In essi sono affrontati temi quali l'amore e la tristezza, l'esistenza e la morte, il dolore e la demarcazione dell'identità. La narrazione segue la forma del racconto breve, fatta eccezione per la storia più lunga, Nikolaj e il lago d'inchiostro, definita dall'autore stesso una metafinzione storiografica. Attraverso un processo di aderenza tra

narrazione e finzione siamo proiettati in un'introspezione che vuole ristabilire il rapporto tra testo e lettore, sia che ciò avvenga tra le pareti di una stanza di hotel, tra le vie nebbiose della città, nei ricordi o nel legame tra arte e inconscio. A ciascuno il suo lago.

A ciascuno il suo (film) *Self-Publish*

Teniamo a precisare che la maggior parte dei testi inclusi nella presente opera provengono liberamente da Internet e sono reperibili su Wikipedia. Allora sorge spontanea la domanda: perché acquistarla? La risposta è semplice. Si tratta di un certosino lavoro di organico assemblamento che completa l'opera in modo da renderla unica e non ripetibile nella sua struttura. In breve, un lavoro che, pur proveniente

dal lavoro di altri, si trasforma in un unicum, assumendo una sua veste logica che è quella di descrivere il film A ciascuno il suo. In questo modo si avrà la possibilità di avere in un'unica opera più argomenti che costringerebbero il lettore a saltare da una pagina all'altra di Internet, perdendo, magari, il filo logico del discorso unitario. Infine, il piacere, della carta stampata, la possibilità di leggere questa opera comodamente sdraiati su una poltrona, la comunione con l'universo misterioso della pagina scritta. Sfogliare le pagine, annusarle e tenerle tra le mani. Le sensazioni che un libro cartaceo ci trasmette sono insostituibili. Un libro cartaceo è un libro vissuto. La carta ci permette di essere parte integrante del libro, di viverlo e di esplorarlo. Contenuto del libro: Brevi

Note sul Giallo all'Italiana. A ciascuno il suo (film). Elio Petri. Leonardo Sciascia. Ugo Pirro. Luigi Kuveiller. Luis Enríquez Bacalov. Gian Maria Volonté. Irene Papas. I volti di Irene Papas nelle incisioni di Amodio Tortora. Gabriele Ferzetti. Salvo Randone. Luigi Pistilli. Laura Nucci. Mario Scaccia. Leopoldo Trieste. Giovanni Pallavicino.

Media a ciascuno il suo

Le mail di Obama. Il blog di Grillo. I tweet di Renzi. La TV di Berlusconi

Armando Editore

Si può dire che ogni politico ha un suo mezzo di comunicazione così come il musicista ha il suo strumento preferito? Guardando le due sponde dell'Oceano verrebbe da rispondere che è così,

anche se poi è anche vero che il pianista può improvvisarsi violinista e un bravo direttore governa l'intera orchestra. Abbiamo abbinato a ciascun leader un suo medium: a Barack Obama le mail, a Matteo Renzi i tweet, a Beppe Grillo il blog, a Silvio Berlusconi la tv. Ed abbiamo anche verificato che c'è una corrispondenza profonda tra il mezzo preferito e il temperamento di ognuno di loro.

Inquisition and Inquiry

Sciascia's *Inchiesta* *Troubador Publishing Ltd*

This study focuses on the narrative form which figured prominently in Sciascia's literary production in the 1970s and 1980s, that is, *inchiesta*, the non-fiction investigative essay, based principally on Manzoni's *Storia della colonna infame* [The Column of Infamy]. In his *inchieste* Sciascia investigates episodes in history, from the time of the Inquisition through to his own contemporary times, where intolerance and injustice outmatch human weakness and fear. This study considers Sciascia's commingling of detective and investigative writing, and his attempts at historiography. One striking feature of his narrative

technique is his reliance on literature to interpret the past.

The Novel as Investigation

Leonardo Sciascia, Dacia Maraini, and Antonio Tabucchi *University of Toronto Press*

Detective fiction is a universally popular genre; stories about the investigation of a crime by a detective are published all over the world and in hundreds of languages. Detective fiction provides more than entertainment, however; it often has a great deal to say about crime and punishment, justice and injustice, testimony and judgment. The *Novel as Investigation* examines a group of detective novels by three important Italian writers - Leonardo Sciascia, Dacia

Maraini, and Antonio Tabucchi - whose conviction about the ethical responsibility of the writer manifests itself in their investigative fiction. Jo-Ann Cannon explores each writer's denunciation of societal ills in two complementary texts. These investigative novels shed light on pressing social ills, which are not particular to Italian society of the late twentieth century but are universal in scope: Sciascia focuses on abuses of power and the death penalty, Maraini on violence against women, Tabucchi on torture and police brutality. In addition, each of these texts self-reflexively explore the role of writing in society. Sciascia, Maraini, and Tabucchi all use their fiction to defend the power of the pen to address "il male del mondo." The

Novel as Investigation will be of interest to a broad audience of readers, including those interested in Italian and comparative literature, Italian social history, and cultural studies.

Methods of Murder

Beccarian Introspection and Lombrosian Vivisection in Italian Crime Fiction *University of Toronto Press*

Past traces the roots of the twentieth-century literature and cinema of crime to two much earlier, diverging interpretations of the criminal: the bodiless figure of Cesare Beccaria's Enlightenment-era *On Crimes and Punishments*, and the biological offender of Cesare Lombroso's positivist *Criminal*

Man

Postmodern Ethics

The Re-appropriation of Committed Writing in the Works of Antonio Tabucchi and Leonardo Sciascia 1975-2005 *Cambridge Scholars Publishing*

Postmodern Ethics offers a new perspective on debates surrounding the role of the intellectual in Italian society, and provides an original reading of two important Italian contemporary writers, Leonardo Sciascia and Antonio Tabucchi. It examines the ways in which the two writers use literature to engage with their socio-political environment in a climate informed by the doubts and scepticism of postmodernism, after

traditional forms of impegno had been abandoned. Postmodern Ethics explores ways in which Tabucchi and Sciascia further their engagement through embracing the very factors which problematized traditional committed writing, such as the absence of fixed truths, the inability of language to fully communicate ideas and intertextuality. Postmodern Ethics provides an innovative new reading of Tabucchi's works. It challenges the standard view in critical literature that his writing may be divided into 'engaged' texts which dialogue with society and 'postmodern' texts which focus on literary interiority, suggesting instead that socio-political engagement underpins all of his works. It also offers a new lens on Sciascia's writing, unpacking why Sciascia, unlike

his contemporaries, is able to maintain a belief in literature as a means of dialoguing with society. Postmodern Ethics explores the ways in which Tabucchi and Sciascia approach issues of terrorism, justice, the anti-mafia movement, immigration and the value of reading in connected yet distinct ways, suggesting that a close genealogy may be drawn between these two key intellectual figures.

Delle Crimea, del suo commercio, e dei suoi dominatori, dalle origini fino ai dì nostri, commentari storici

Politics and Society in Italian Crime Fiction

An Historical Overview *McFarland*

This book comprehensively covers the history of Italian crime fiction from its origins to the present. Using the concept of "moral rebellion," the author examines the ways in which Italian crime fiction has articulated the country's social and political changes. The book concentrates on such writers as Augusto de Angelis (1888-1944), Giorgio Scerbanenco (1911-1969), Leonardo Sciascia (1921-1989), Andrea Camilleri (b. 1925), Lorian Macchiavelli (b. 1934), Massimo Carlotto (b. 1956), and Marcello Fois (b. 1960). Through the analysis of writers belonging to differing crucial periods of Italy's history, this work reveals the many ways in which authors exploit the genre to reflect social transformation and dysfunction.

Religious Life Or Secular Institute

Gregorian Biblical BookShop

Many request have been made for the publication of these studies in book form. Much of this material has already appeared as articles in *The Way*. In the first section I discuss the distinction between the forms of consecrated life, following a classification which is also taken up by the Second Vatican Council in its decree *Perfectae Caritatis*. It is by distinguishing between these different ways of the Spirit, and by seeking to enter more deeply into them, that all who lead that life - whether they be monks or nuns, or religious dedicated to the apostolate of the priestly ministry or of charitable works, or those leading a consecrated life in the midst of the world - will gain a better understanding of their

vocation and of their special mission in the Church. The second study is an attempt to express the profound meaning of the secular vocation proper to those institutes which were approved by Pope Pius XII in 1947, and of which the *Motu Proprio Primo Feliciter* laid down the essential characteristics. The third section is a discussion of the role of the priest in approved Secular Institutes. This has relevance today, when special questions arise concerning those Institutes whose secular character is less apparent, who live in community and are occupied in their own special works. In the opinion of many who follow the fully secular vocation, those Institutes would do better to revise their statutes or to choose another denomination - for example, that of Apostolic Institute or

Society.

Il Socialismo, suo passato, suo presente, e suo avvenire

The Day of the Owl *New York Review of Books*

A man is shot dead as he runs to catch the bus in the piazza of a small Sicilian town. Captain Bellodi, the detective on the case, is new to his job and determined to prove himself. Bellodi suspects the Mafia, and his suspicions grow when he finds himself up against an apparently unbreachable wall of silence. A surprise turn puts him on the track of a series of nasty crimes. But all the while Bellodi's investigation is being carefully monitored by a host of observers, near and far. They share a

single concern: to keep the truth from coming out. This short, beautifully paced novel is a mesmerizing description of the Mafia at work.

Elio Petri

Investigation of a Filmmaker *McFarland*

Elio Petri (1929-1982) was one of the most commercially successful and critically revered Italian directors ever. A cultured intellectual and a politically committed filmmaker, Petri made award-winning movies that touched controversial social, religious, and political themes, such as the Mafia in *We Still Kill the Old Way* (1967), police brutality in *Investigation of a Citizen Above Suspicion* (1970), and workers'

struggles in *Lulu the Tool* (1971). His work also explored genre in a thought-provoking and refreshing manner with a taste for irony and the grotesque: among his best works are the science fiction satire *The 10th Victim* (1965), the ghost story *A Quiet Place in the Country* (1968), and the grotesque giallo *Todo modo* (1976). This book examines Elio Petri's life and career, and places his work within the social and political context of postwar Italian culture, politics, and cinema. It includes a detailed production history and critical analysis of each of his films, plenty of never-before-seen bits of information recovered from the Italian ministerial archives, and an in-depth discussion of the director's unfiled projects.

Mafia Vendetta

In Italian cultural and political

discussions, "the problem of the South" occurs as frequently as it does in America, though with quite a different meaning. Inevitably, such discussions must include Sicily, the island that gave to the languages of the world the two words which form the American title of Leonardo Sciascia's novella, along with that nearly untranslatable word *omertà*. The Italian South (and, especially, Sicily) means crime and violence and the corruption of public justice by a secret organization which cannot even be proved to exist -- since the code of *omertà* (which means, literally, "connivance") binds even the innocent to what Signor Sciascia calls "the conspiracy of silence." Americans were familiar with the impact of Sicily upon our own crime and justice long before

last fall's news stories on the Cosa Nostra -- but when this little book appeared in Italy, it created a public sensation, even though the author's afterword describes the care with which he tried to conform

Differences, Deceits and Desires

Murder and Mayhem in Italian Crime Fiction *Associated University Presse*

Italian crime fiction (known as gialli in Italy) has developed from a popular genre to a fully-fledged literary genre; and in the past thirty years it has gradually become the focus of growing interest from literary critics as well as the reading public. This collection of twelve essays is the first one in English to deal exclusively with Italian crime

fiction. The essays are scholarly yet accessible contributions to the growing research in this field. They analyze texts by well-known authors (such as Umberto Eco, Leonardo Sciascia and Andrea Camilleri) as well as works by younger writers. They bring together four of the most significant strands of Italian gialli: the way gialli develop or subvert the tradition and conventions of the crime genre; regional specificity within Italian crime fiction; gialli by and about women, lesbians and gay men; and representations of Italy in gialli written by English-speaking writers.
