The Status Civilization Robert Sheckley

The Status Civilization is a science fiction novel by American writer Robert Sheckley, first published in 1960. The Status Civilization concerns Will Barrent, a man who finds himself, without memory of any crime or, indeed, of his previous life, being shipped across space to the planet Omega. Omega, used to imprison extreme offenders, has a hierarchical society of extreme brutality, where the only way to advance is to commit an endless series of crimes. The average life expectancy from time of a

The Status Civilization - Wikipedia

In The Status Civilization Robert Sheckley turns the idea of society and morality on its head in It was a society in which the lawbreaker was king; a society in which crimes were not only condoned but were admired and even rewarded; a society in which deviation from the rules was judged solely on its degree of success.
