Creator and Creators: Co-Creation With Nature - A ...

Co-creation, in the context of a business, refers to a product or service design process in which input from consumers plays a central role from beginning to end. Less specifically, the term is also used for any way in which a business allows consumers to submit ideas, designs or content. This way, the firm will not run out of ideas regarding the design to be created and at the same time, it will further strength the business relationship between the firm and it's customers.
