Dream On Amber

Dream On Amber is about a half Italian, half Japanese girl called Amber who hates her name, hates how she looks and how short she is, wants a new phone, can't stand anything that's gross, misses her dad, is an artist and has trouble starting her new school. It was kinda cute, but annoying at the same time.

What Amber never quite realizes consciously is that she is spending more effort providing solutions for herself in her dream father's perspective: those answers are there all along. A book that is fun to read, with insets where Amber uses and explains British-isms, humor and situations familiar to most middle schoolers to move the story forward and present her life.

Though Dream On, Amber is ripe with opportunities for didacticism, Amber's appealingly oddball

voice makes the lessons go down easy. Dream On, Amber also does something unusual for a children's book that grapples with race: It does not solve Amber's biracial identity crisis. Though Amber struggles with the questions of her missing father and Japanese identity, the biggest lesson of this book is that sometimes there are no answers.
