Practice Makes Perfect: Complete Spanish Grammar by Gilda ...

Unfortunately, the Spanish version of Complete Grammar gets you to complete sentences from the beginning without translating a lot of the vocab (I waste a lot of time flipping between the dictionary at the back and the exercises at the front) and uses far too much vocab to give you a chance to absorb it. And I'm usually pretty good with languages.

Studying Spanish grammar will not make you fluent. To reach a conversational level you need a complete course like the one provided by our app, Camino. These days, it is popular in some circles to claim that there is no need to learn grammar. The thinking goes something like this: I didn't learn grammar as a child, and yet I still learned to speak.
