Glamour photography's focus on beauty makes posing essential. The genre celebrates the human body and posing is the key to that focus. Posing will help draw the eye to beauty and away from flaws. Glamour posing often celebrates curves. A glamour pose starts by getting away from that flat-footed stance.

What Is Glamour Photography? (And How to Get Started!)

Posing Guide: 21 Sample Poses to Get You Started with Photographing Groups of People Previously in the posing guide series articles we looked at posing female subjects, posing male subjects, posing children and posing couples. It is now time for posing groups of people. There are usually three kinds of group shots.
