At the Ford Foundation, we believe democracy is worth the challenge. This is not in spite of but precisely because democracies don't succeed on their own. To thrive, a democracy needs people to participate: to get informed about the issues of the day, pay attention to what their representatives are doing, hold those representatives accountable, and make their own voices heard.

We believe in democracy. / Ford Foundation

A democracy is a political system, or a system of decision-making within an institution or organization or a country, in which all members have an equal share of power. Modern democracies are characterized by two capabilities that differentiate them fundamentally from earlier forms of government: the capacity to intervene in their own societies and the recognition of their sovereignty by an ...
