Hard Times illustrated *Phoemixx Classics Ebooks*

Hard Times illustrated Charles Dickens - Hard Times: For These Times (commonly known as Hard Times) is the tenth novel by Charles Dickens, first published in 1854. The book surveys English society and satirises the social and economic conditions of the era. "Now, what I want is, Facts. . . . Facts alone are wanted in life." Thus begins Superintendent Mr. Gradgrind—a wealthy, retired merchant—addressing a group of young students at his school in the industrial town of Coketown, England. A rigid man of fact, rational self-interest and realities, he not only teaches his pupils according to the utilitarian principles, but also raises his children with the same philosophy. When they grow up, as their

lives begin to turn chaotic, they reproach their father for their upbringing. Will Mr. Gradgrind realize his flaws and become a humble man? Satirizing the laissez-faire system, Dickens' Hard Times lays bare the wide gap between the rich and the poor. Criticizing the materialistic world, this Victorian novel throws light on the value of emotions and the human heart. It has undergone several film and theatre adaptations.

Hard Times *Graphic Arts Books*

Set in an industrial city in Northern England during the Victorian era, Thomas Gradgrind, a wealthy and retired man, devotes his life to the rationalist philosophy, and raises his children, Louisa and Tom, to never engage in any imaginative activity. The two grow up feeling confused, like something is missing in their lives, yet are unable figure out what exactly that is and affected differently by their upbringing. Louisa struggles to feel joy, and Tom struggles to find ethical standards. When Josiah Bounderby, a crass, rich man, asks for Louisa's hand in marriage, she cannot find a rational reason not to marry him. He would elevate her social status, was a friend of her father, and employed her brother at his bank. She decides to marry Bounderby, despite feeling no love for him. Meanwhile, Stephen, a poor laborer in one of the city's factories, who is struggling under the oppression of the upper classes, meets Tom and Louisa, inspiring them in different ways. When the city is shocked by a scandalous and devastating bank robbery, Stephen, Tom, and Louisa's lives are forever changed, and Gradgrind must question the strict beliefs on which he relies. Hard Times by Charles Dickens is revered not only for its skillfully constructed prose, but also its critique of

capitalist and utilitarian philosophy. Dickens' empathetic portrayal of the effects of such beliefs raises concern and advocates for the conservation of human creativity and joy in a way that is still applicable today. With an eye-catching cover design and a modern font, *Hard Times* by Charles Dickens is a thought-provoking novel written by the greatest and most influential writers of the Victorian era.

Hard Times By Charles Dickens *BookRix*

'NOW, what I want is, Facts. Teach these boys and girls nothing but Facts. Facts alone are wanted in life. Plant nothing else, and root out everything else. You can only form the minds of reasoning animals upon Facts: nothing else will ever be of any service to them. This is the principle on which I bring up my own children, and this is the principle on which I bring up these children. Stick to Facts, sir!' The scene was a plain, bare, monotonous vault of a school-room, and the speaker's square forefinger emphasized his observations by underscoring every sentence with a line on the schoolmaster's sleeve. The emphasis was helped by the speaker's square wall of a forehead, which had his eyebrows for its base, while his eyes found commodious cellarage in two dark caves, overshadowed by the wall. The emphasis was helped by the speaker's mouth, which was wide, thin, and hard set. The emphasis was helped by the speaker's voice, which was inflexible, dry, and dictatorial. The emphasis was helped by the speaker's hair, which bristled on the skirts of his bald head, a plantation of firs to keep the wind from its shining surface, all covered with knobs, like the crust of a plum pie, as if the head had scarcely warehouse-room

for the hard facts stored inside. The speaker's obstinate carriage, square coat, square legs, square shoulders,—nay, his very neckcloth, trained to take him by the throat with an unaccommodating grasp, like a stubborn fact, as it was,—all helped the emphasis.

Hard Times

A Novel

Hard Times (1854) / Novel *Createspace Independent Publishing Platform*

Hard Times is a novel by Charles Dickens, published in 1854. It is significant for being the shortest of his full novels. The book is one of a number of state-of-the-nation novels published around the same time, another being *North and South* by Elizabeth Gaskell, which aimed to highlight the social and economic pressures some people were under. The novel is unusual, in that it is not set in London, as is Dickens' usual wont, but the fictitious Victorian industrial town of Coketown. It has met mixed critical response from a diverse range of critics, such as F. R. Leavis, George Bernard Shaw, and Thomas Macaulay. This was usual for Dickens' treatment of trade unions, and the pessimism about the division between capitalistic millowners and the undervalued workers, after the Industrial Revolution, set in the Victorian era of Britain.

Hard Times W. W. Norton

"Set in Coketown, the fictitious English mill-town modeled after Preston, *Hard Times* follows the stories of Thomas Gradgrind, a wealthy mill owner, his family, and the poor mill workers in the town. The storylines of Gradgrind's

children, Louisa, Tom, and Sissy, run parallel to the troubles of the hard workers struggling to survive in a time of severe inequality. This Norton Critical Edition is based on the 1854 first edition, with new edits made to encompass more recent scholarly findings. The text comes paired with explanatory footnotes, illustrations and photographs depicting the scenes of the novel in contrast with their historical counterparts, and an introduction by the editor that brings *Hard Times* into a twenty-first century analysis on the social, economic, and political themes of the novel. "Contexts" carries over most of the contextual materials that help a modern reader acclimate to the harsh realities of mid-nineteenth century industrial England. "Criticism" brings together eighteen essays on *Hard Times*, five of which were seen in the third edition by Taine, Ruskin, Gissing, Leavis, and Shaw. New essays by Christopher Barnes, Christine Lupton, Victor Sage, Efraim Sicher, and Nils Clausson reexamine the novel as literary art, while Tamar Ketabgian, Kent Greenfield and John E. Nilsson, David M. Levy, Paulette Kidder, Martha Nussbaum, David Lodge, David L. Cowles, and Theodore Dalrymple provide perspectives ranging from the connections to the natural world to the study of law and the word of human experience in between. A Chronology and revised Selected Bibliography are also included."

Hard Times Broadview Press

Despite the title, Dickens's portrayal of early industrial society here is less relentlessly grim than that in novels by contemporaries such as Elizabeth Gaskell or Charles Kingsley. *Hard Times* weaves the tale of Thomas Gradgrind, a hard-headed politician who raises his

children Louisa and Tom without love, of Sissy the circus girl with love to spare who is deserted and adopted into their family, and of the honest mill worker Stephen Blackpool and the bombastic mill owner Josiah Bounderby. The key contrasts created are finally less those between wealth and poverty, or capitalists and workers, than those between the head and the heart, between "Fact"—the cold, rationalistic approach to life that Dickens associates with utilitarianism—and "Fancy"—a warmth of the imagination and of the feelings, which values individuals above ideas. Concentrated and compressed in its narrative form, *Hard Times* is at once a fable, a novel of ideas, and a social novel that seeks to engage directly and analytically with political issues. The central conflicts raised in the text, between government's duty not to intervene to guarantee the liberty of the subject, and between quantitative and qualitative assessments of progress, remain unresolved today in the late or post industrial stages of liberal democracies.

Charles Dickens' Hard Times

Have a Heart That Never Hardens and a Temper That Never Tires, and

a Touch That Never Hurts. *Word to the Wise*

"Have a heart that never hardens and a temper that never tires, and a touch that never hurts." Hard Times is Charles Dickens's tenth novel that has been considered much seriously by literary critics and historians. It concentrates on the portrayal of the English society of the nineteenth century as well as on its different cultural and economic aspects. The story, which is set in a fictional Victorian town, is divided into three parts which are respectively entitled "Sowing," "Reaping," and "Garnering." The central character of the first part is Mr. Thomas Gradgrind, a wealthy man, a school headmaster and a father to 5 children. Generally, Mr. Gradgrind is a man of reason and thought, but also of strict rules and codes of behavior. The narrative gives minute details of his daily activities and habits as well as of the way he brings up his children, teaching them principles of rationalism and self-interest. The story then follows the existence of his children and family in the remaining parts of the novel. Dickens mainly deals with the much-debated social issues of the time such as the importance of professional careers, love and marriage. By the end of the narrative, Mr. Gradgrind eventually seems to become less categorical as to his strict principles of rationalism and utilitarianism.

Hard Times *Standard Ebooks*

Hard Times (originally Hard Times—For These Times) was published in 1854, and is the shortest novel Charles Dickens ever published. It's set in Coketown, a fictional mill-town set in the north of England. One of the major themes of the book is the miserable treatment of workers in the mills, and the resistance to their unionization by the mill owners, typified by the character Josiah Bounderby, who absurdly asserts that the workers live a near-idyllic life but they all “expect to be set up in a coach and six, and to be fed on turtle soup and venison, with a gold spoon.” The truth, of course, is far different. The other major topic which Dickens tackles in this novel is the rationalist movement in

schooling and the denigration of imagination and fantasy. It begins with the words "Now, what I want is, Facts," spoken by the wealthy magnate Thomas Gradgrind, who is supervising a class at a model school he has opened. This indeed is Gradgrind's entire philosophy. "Teach these boys and girls nothing but Facts. Facts alone are wanted in life. Plant nothing else, and root out everything else." He is supported and encouraged in this approach by his friend Bounderby. Gradgrind raises his own children on these principles, and, as we discover, in doing so blights their lives. The novel also follows the story of a particular mill-worker, Stephen Blackpool, who leads a tragic life. He is burdened with an alcoholic, slatternly wife, who is mostly absent from his life, but who returns at irregular intervals to trouble him. This existing marriage, and the near-impossibility of divorce for someone of his class, prevents him marrying Rachael, who is the light of his life. Dickens depicts Stephen as representing the nobility of honest work, and contrasts his character with that of the self-satisfied humbug Josiah Bounderby who represents the worst aspects of capitalism. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

The story of Oliver Twist - orphaned, and set upon by evil and adversity from his first breath - shocked readers when it was published.
