With that in mind, Eliade spends a good chunk of *The Myth of the Eternal Return* dealing with how people understand history, and how that understanding affects human freedom. Eliade essentially argues that modern society must, in some way, return to the myth of the eternal return: "by virtue of this view, tens of millions of men were able, for century after century, to endure great historical pressures without despairing, without committing suicide or falling into that spiritual aridity ...

In Chapter 4 of *The Myth of the Eternal Return* (entitled "The Terror of History") and in the appendix to *Myths, Dreams and Mysteries*, Eliade suggests that the abandonment of mythical thought and the full acceptance of linear, historical time, with its "terror", is one of the reasons for modern man's anxieties. Traditional societies escape this anxiety to an extent, as they

refuse to completely acknowledge historical time.
