The goal of this code of ethics is to promote excellence in patient care by fostering responsibility and accountability among diagnostic medical sonographers. In so doing, the integrity of the profession of diagnostic medical sonography will be maintained.

Code of Ethics for the Profession of Diagnostic Medical ...

Given the intricacies of healthcare law and

ethics, healthcare organizations hire professionals to ensure compliance, leaving doctors more time to concentrate on treating their patients. Without these often-overlooked healthcare administration professionals, doctors would lose time studying new legal and ethical guidelines, rather than focusing on medicine.
