Lord, I Want to Be Whole Workbook and Journal

A Personal Prayer Journey *HarperChristian Resources*

"When the heat is on and the battle is raging, know that as long as you are standing strong in the Lord, you won't be shot down or burned up by your

circumstances. Think in terms of God's power. As long as you stand with God-and don't give up-you win." Most ministers and psychologists agree that personal change comes from within. And that change can only occur if you take a careful look at your own life and experience. That's certainly what Stormie Omartian discovered. Over thirty years ago she was so depressed, she considered suicide. Then she went through the seven-step process she described in her bestselling book, *Lord, I Want to Be Whole*. Now Stormie makes this process available to you in a personal walk to emotional well-being a walk with the truth of Scripture and the power of prayer at your side. Throughout your journey you will be observing the lives of some familiar people in the Bible.

Many of these people had the same faults-and suffered the same problems-you do. The way the Lord guided them will be a path for you to follow. Each week you will work through interactive questions and thought-provoking Scriptures that will enable you to determine who you are, what you're doing, and where you're going. And then you will establish some guidelines for your future. "The healing and restoration I found is there for you too," Stormie asserts. "Whether your hurt is from scars as far back as early childhood or from this week's untimely severing of a precious relationship, you can be whole spiritually and emotionally." This easy-to-use workbook serves as an excellent guide for either personal devotions or group study. Use it as a stand-alone

Bible study or as a companion to Stormie's book, *Lord, I Want to Be Whole*.

Peace and Love to the World

God Is Love *Createspace Independent Publishing Platform*

The word of love in the book is a spiritual weapon meant for our current generation and the message to the generations to come. The prophetic word is the intertwine of the real life situations, visions, dreams and prophesies which I experienced in my way of faith. The challenges which I

encountered and how the Lord helped me to pull through in the name of our Lord Jesus Christ. Nonetheless the malady of hatred which has contaminated the world, it is only peace and love from the Lord which can heal the infectious ulcer which man has suffered. Dignity has been lost in accordance to Hosea 4:6 'my people are destroyed for lack of knowledge: because thou hast rejected knowledge. I will also reject thee, that thou shalt be no priest to me: seeing thou hast forgotten the law of thy God, I will also forget thy children'. Further, that our Lord Jesus Christ came down with the seed of peace and love to unify the candidates of heaven through the provision of the Holy Scriptures. Let us unite and break the seed of hatred which

Satan had planted in the hearts of men. 1 Corinthians 13:3 And now abideth faith, hope, love, these three; but the greatest of these is love. This book is dedicated to all my brothers and sisters in the Lord, especially those who are at the verge of losing hope of survival spiritually. It is therefore, here to impart in their hearts with Peace and Love from our God Almighty. The word in this book is aimed at reconciling the people on earth with love so as to cushion the conflicts among nations. It is in accordance to Isaiah 2:2-3 the message in the book has been written and it is therefore inviting all my brothers and sisters from across the world to experience the Holy Spirit with words of great faith in the Lord. The book is here to comfort the sick, the afflicted and

those souls who are persecuted by the enemy. It also embraces all the races and does not stigmatize any person as it is based on the true love from our Lord and the message is inspired by the Holy Spirit with a view to unite the people across the globe. I therefore wish the Church, the United Nations, the governments and other charitable organizations to enhance preaching peace among the people in the land for us to have a better world. It is in this line, that the Lord our God came down on earth to save humanity. More so, we should embrace peace and love to survive this world of troubles. The love of God is unconditional, thus, we should follow suit to have a godly love in our hearts or humanity will be wiped out on the face of the earth soonest. The

beauty of welcoming peace and love from God is compared to the bond between the earth and the sun and the rain. There is no segregation in the house of the Lord but we are all equal in the face of our creator. Mother Nature has been very kind to us and it reprimands us whenever we err but our Lord Jesus Christ used to curse Nature. We have continued preaching about the importance of spreading the word of God and also His love which has made us to be who we are on earth. The love of God unifies the people and that it cuts through the rod of hatred which is in the hearts of the evil ones. We should therefore embrace the love of God for us to reach greater heights of love, where all religions, race and tribes shall stand tall in the same platform and pronounce

to the higher heavens that we are one people. Women and children needs true love from our hearts. I dream of a beautiful world where we shall be protected by the love of God, because humanity on that day shall have total unite. It is common knowledge that Satan has infiltrated our governments, entertainment industry and a lot more circles of life. Therefore, it is time man woke up from the deep slumber and fight for his life or else he will die naked with shame. However, we wrestled the devil for us to have peace and love so that we get saved but the battle has been tough. The Lord has been fighting battles for humanity because God is love. Amen!!

I Saw the Lord

A Wake-Up Call for Your Heart
Zondervan

When we call ourselves Christians, we expect that our love for Jesus, our hunger for His presence, our urgent longing to see Him again will be a constant, motivating force in our lives, writes Anne Graham Lotz. Yet sometimes ...in the busyness of our days or the duties of our jobs or the familiar habits of our worship or the everyday routine of our homes, the longing becomes complacency, and we sleep through opportunities to be with Him. Anne knows from personal experience that it's then, as we're drifting in comfortable complacency, that we most need a wake-up call—a jolt that pushes us to seek out a revival of our passion for Jesus that began as a blazing fire but somehow has died down to an ineffective glow. The revival we need now

is not a tent meeting or a series of church services designed to save the lost. It's something completely different: authentic, personal revival. In *I Saw the Lord*, Anne shares the revival lessons she has carried to audiences throughout the world, showing you how you can experience an authentic, deeper, richer relationship with God in a life-changing, fire-blazing revival. It begins here. Now. Open this book and hear the wake-up call. Then get ready for the fire of revival to fall ... on you!

I Can Learn to Pray the Lord's Prayer the Prayer of the Kingdom

Xulon Press

Appropriately, this absolutely fascinating book carries the title of the most perfect prayer we know - the one the Lord Jesus

Christ Himself taught us to pray, to impart to us the true principle of spiritual prayer. *I Can Learn to Pray - The Lord's Prayer - The Prayer of the Kingdom*, is for anyone who wants to know God better as "Father." This book is unique for its simplicity and direct appeal to the deepest religious yearnings of mankind. It is, within itself, the answer to the heartfelt prayer of anyone who has expressed the dominant concern to "seek" but have not found the One in tune with the diverse challenges and joys of their life. Each chapter has instructional writings and thought-provoking meditations along with inspirational quotations from the Bible, and the writing is expressed in a Father-child interactive conversation. It is the book's intent that countless numbers of

people will be guided to lives made happier, richer, and nobler by the wisdom gathered in its pages. Winsome Walters had an unlikely beginning for the Christian life. Her father, hard-working and devout, sternly reminded her, "I want my children to serve God." But although she was devoted to the ideals of her father's moral teachings, Ms. Walters was not prepared to commit to his exacting spiritual ambitions, and so she decided, I'll get away from God and find my freedom. But when God wants to find you, He knows where you are - even if you're miles away spiritually playing hide and seek. As a result of a remarkable experience in her life, Ms. Walters gave her heart to the Lord. With exceptional tenacity she continues her love for Christ at an unstoppable pace.

Her commitment to loving God, combined with the empathy, care, and love she has for those whom Christ died, has inspired her to write this book.

Getting to Know Jesus

An Invitation to Walk with the Lord Day by Day

Getting to Know Jesus is a perfect book for someone who knows something but wants to know a lot more about the life and ministry of Jesus Christ. Eric Kampmann has designed the book to provide the chronological account of the life of Christ based on the Gospels of Matthew, Mark, Luke, and John. The origins of this book were a series of podcasts that Kampmann and Dr. Chuck Davis, Senior Pastor at Stanwich church, recorded over the course of one year. For this book, Kampmann used the content of the podcasts to build a commentary on the passage that provides a deeper look into the accounts

of Jesus' life, ministry, crucifixion, and resurrection. In addition to the book, Kampmann has provided an index that lists 31 bible or individual studies. The studies include an in depth look at the Sermon on the Mount, the Parable of the Prodigal Son, Raising Lazarus, the Seven Words of the Cross, the High Priestly Prayer, and much more.

Lord, I want to be a Worshipper in my Heart

Lord, make me your Worshipper *Booktango*

What is worship? Why is worship important in the believer's walk? We all have heard so many things said, taught, preached and written about the subject of worship. There have been conferences given to teach us how to worship or to have greater levels and depths in our worship experience. I am not here to take anything away from what you have

heard nor do I have some great and deep "new revelation" about worship. I only want to add to everything you already know, have heard, or maybe what you have taught. But what I do want to do is take the mystery out of worship. I want to take away the notion that real worship is for those who are experiencing certain levels and depths in the Spirit and for all the rest, you will get there. Our goal and aim is to take the supernatural event and experience of worship and pull it into the natural realm so that it can be manifested in our everyday lives. Our intention is to make worship practical, something we walk out everyday in our normal lives so that we can touch other people's lives.

JESUS cast them devils out *iUniverse*

My childhood years were painful at times. The things that happened to me caused me to have anger towards men, and opened doors to satan. My years in the criminal life have opened doors to satan and his demons. I grew up going to church but did not continue to grow in Christ. I was doing the devil's work for so long and finally he was ready to take my soul, but God had a different plan for me. The night I remember was when the demons were tormenting me and scaring

me so much. I didn't know what to do. I would try to hide and run from these demons but they were there no matter where I went. I am glad God had his hand upon me. That night I found out we are not alone. I received Christ in my heart, but these demons did not want to leave me alone. It took some time but I really had to seek God. I was still being tormented day and night so I started to read my Bible, and learn scriptures. I would make sure all the doors were closed to satan and stayed closed. We have to watch out for everything that is in this world. The devil has a way of making it look innocent but in reality it is evil. We can't take life for granted because if it is our time to go and we are not in God's kingdom we are heading for Hell. I have been enlightened about the

truth. There are two kingdoms and you belong to one of them. I will continue to save the lost souls for God's kingdom. The devil wants souls only to devour them.

The Things I Want Them to Know About God and His Son Jesus Christ

Xlibris Corporation

The teaser is that I am a Christian. I want to tell children and anyone I can about the Lord. The Lord I serve wants us to be missionaries and tell anyone you can about the Lord, about how he loves us unconditionally, that he wants the best for us, that he lives in our hearts, and we are always walking with him. He wants us to know that he will never forsake us or leave us. He said that we shouldn't walk this journey alone and that we should call on him if we need him, and we will always need the Lord.
