Brown Ale: History, Brewing Techniques, Recipes ...

History of American Brown Ale. As with all the beer styles with "American" tacked on the front, (i.e. American IPA, American Pale, American Sour) this style is inextricably rooted in European brewing history. It has two brothers. Both of them English, and the roots stretch back to the 1700s when porters and stouts were popular in England and were often referred to as brown ales.

American Brown Ale :: Style Characteristics & Brewing Tips

The style of beer that was to become known as "brown ale" can be traced back to the English brewers of the early 1700s. Brewing had existed in England for several centuries, but the output was mostly for home or local consumption and varied widely. By the 1720s there

were dark beers being brewed in London that were called porters.

Brown Ale History Brewing Techniques Recipes Classic Beer ...

Brown ale is a style of beer with a dark amber or brown colour. The term was first used by London brewers in the late 17th century to describe their products, such as mild ale, though the term has a rather different meaning today. 18th century brown ales were lightly hopped and brewed from 100% brown malt. Today there are brown ales made in several regions, most notably England, Belgium and America. Other than being top-fermented and having a darker colour than pale beers, brown ales share little
