YAMAHA GP760 SERVICE MANUAL Pdf Download | ManualsLib

Previously a boat only owner, I'm now about to jump into the PWC world. I plan to purchase a 1996 yamaha gp760 this coming Thursday. It looks to be in excellent condition and well maintained, with 107.5 hours. Price is \$1400 with trailer and cover. Would some of you be kind enough to throw some reviews my way, good-bad-indifferent?

Newbie; Asking for Yamaha GP760 reviews ('96 model)

I'm looking to replace my piece of junk Polaris PWC with a Yamaha. There are several of the GP760 and GP800 models in good shape for sale in my price range. I'm looking at ones that are mostly 1999 to 2001 models. I know the 800 has 120 HP vs. 90 HP for the 760. What I'd like to know is if the 800 is going to be less reliable. I would rather have more reliability than more HP.

GP760 vs. GP800
