Big Ideas Humanities - Oxford University Press

Big Ideas: A Guide to the History of Everything narrates the history of the universe, Earth, life, and humanity while analyzing how grand stories about the past, present, and future are crafted and framed. In Big Ideas, authors Cameron Gibelyou and Douglas Northrop create a novel framework for thinking about the history and future of everything. They grapple throughout the book with issues at the intersection of the natural sciences, history, literature, philosophy, religion, and the humanities.
