Reamde

Reamde is a technothriller novel by Neal Stephenson, published in 2011. The story, set in the present day, centers on the plight of a hostage and the ensuing efforts of family and new acquaintances, many of them associated with a fictional MMORPG, to rescue her as her various captors drag her about the globe.

Reamde - Wikipedia

Reamde takes place in the world today and is mostly populated by people like the ones you know or read about in the news. Sadly, this created a huge problem for me. First, let me come right out and say that I'm grading this on the Stephenson scale. Even though I've given it three stars, it's probably better than whatever you're reading now.
