Synopsis. Ann Ulanov here uses the psychological theory of D.W. Winnicott to understand and explore religious life. Sensitive to traditional religion's irrelevance for many people today, she argues that depth psychology in general, and Winnicott's work in particular, offer vital new ways in which to understand religious experience. Ulanov expands Winnicott's theory of "transitional space" - space between self and other - to include the space between an individual and the divine, and draws ...
