The Priority Of Democracy Political

The Priority of Democracy. Book
Description: Pragmatism and its consequences are central issues in American politics today, yet scholars rarely examine in detail the relationship between pragmatism and politics. In The Priority of Democracy, Jack Knight and James Johnson systematically explore the subject and make a strong case for adopting a pragmatist approach to democratic politics--and for giving priority to democracy in the process of selecting and reforming political institutions.

The Priority of Democracy: Political Consequences of ...

The "priority" of democracy, on our account, derives from its usefulness in approaching this crucial task. This priority derives from features that are, in our view, unique to democracy, namely a level of reflexivity that distinguishes it from other ways of coordinating ongoing social interaction.

Jack Knight and Jim Johnson engage in a particular kind of political theory in their recent *The Priority of Democracy: Political Consequences of Pragmatism*. They want to consider "democracies" as existing social systems embodying particular instances of various kinds of institutions. They want to know how those institutions are likely to emerge, and they want to know how they function in real social settings.

Understanding Society: Pragmatist arguments for democracy

Interpretations of the meaning of democracy often divide between those that place an emphasis on accountability, legitimacy, and representation in systems of rule on the one hand and those that emphasize autonomous action and the self-institution of the people on the other.
