The "manual" suggests changing oil on my Baron every 500km. The usual suggestion (but not in the manual) is also that one changes the oil more often while the engine is "breaking in", that is first couple thousand kilometer after buying a new scoot. It is in this time that the engine can shed some aluminum chips while

"polishing" itself, and you really want them out fast. I've heard of ...

My Chinese Baron Scooter: How to change oil on a Baron scooter

The Haynes Scooter Repair Manual is more than just a how-to guide to fixing your scooter's mechanical issues. It also includes a section on buying spare parts and daily pre-ride checks to make sure your scooter is working properly and will safely get you from point A to point B. The manual also includes sections on maintenance, repairs and more.
