This is the barbarian way: to give your
heart to the only One who can make you
fully alive. To love Him with simplicity
and intensity. To unleash the untamed
faith within. To be consumed by the
presence of a passionate and
compassionate God. To go where He

who lets his kids jump of the roof and
goes to a church where men strip off
naked for a tug-of-war after a retreat in
the mountains. "A group of buzzards
waiting around together to feast on
leftover carnage is called a committee.
Just this one insight is worth the prices of

The Barbarian Way is a spirit inspired
book, a call to break away from a
mundane and lukewarm faith (if such a

an appeal to cast away ties and
allegiances to a domesticated faith of
compromise with the status quo of the
Christian culture.

The premise of the book is: to unleash
our faith living vicariously through Jesus

with reckless abandon... much like barbarians. Wild, counter-culture, risky, and dangerous are all words that come to mind when serving Jesus the "Barbarian Way". The opposite kind of faith is a religion of civilized Christianity.
