No One to Trust was surprisingly good. I was a little worried about giving Johansen a second chance after having most of my alarms set off when I read the The Killing Game. This book, while set in the same universe, was so much better in so many ways. For starters the female lead was incredibly likable in a way Eve perhaps wasn't.

A will trust - also known as a testamentary trust - is created within your will to allow you to protect property you hope to pass on to your family. Trusts are legal entities that allow someone to benefit from an asset without being the legal owner. You create the trust and appoint a person to manage it - the 'trustee'.

Will trusts and lifetime trusts - Which?
