### **Beyond Memory**

#### **Recording the History, Moments and Memories of South**

### **African Music** *African Minds*

"South Africa possesses one of the richest popular music traditions in the world - from marabi to mbaqanga, from boeremusiek to bubblegum, from kwela to kwaito. Yet the risk that future generations of South Africans will not know their musical roots is very real. Of all the recordings made here since the 1930s, thousands have been lost for ever, for the powers-that-be never deemed them worthy of preservation. If one peruses the books that exist on South African popular music, one still finds that their authors have on occasion jumped to conclusions that were not as foregone as they had assumed. Yet the fault lies not with them, rather in the fact that there has been precious little documentation in South Africa of who played what, or who recorded what, with whom, and when. This is true of all music-making in this country, though it is most striking in the music of the black communities. Beyond memory: recording the history, moments and memories of South African music is an invaluable publication because it offers a first-hand account of the South African music scene of the past decades from the pen of Max Thamagana Mojapelo, who was situated in the very thick of things, thanks to his job as a DJ at the South African Broadcasting Corporation. This book -astonishing for the breadth of its coverage - is based on his diaries, on interviews he conducted and on numerous other sources, and we find in it not only the well-known names of recent South African music but a countless host of others whose contribution must be recorded if we and future generations are to gain an accurate picture of South African music history of the late 20th and early 21st centuries"-- Publisher's description.

Will becoming a Millionaire really set you free? How about the American Dream? If we, as a nation, declare freedom to be our number one priority, then why do so many of us, at a gut-level, feel less freedom than ever? Americans are working harder than ever to obtain financial success and material possessions based on the delusion that more will lead to a better life. The typical American is trading away the vast majority of their life in hopes that, someday, they will have enough to experience 'the good life.' Meanwhile, this tradeoff is the very thing that is robbing them of their freedom and the ability to enjoy an abundant life... right now. So, where do we find freedom? What should we pursue? In Lifeonaire: An Uncommon Approach to Wealth, Success, and Prosperity, Steve Cook answers these questions by challenging us to consider what it is that we really desire out of life. This volume examines eight movie renderings of the legendary gunfight. Produced from 1939 to 1994, these movies each use Wyatt Earp and other real-life characters as their sources. The work focuses on the filmmakers' treatment of the history and the skill with which each balances fact with the necessity of entertainment. The ways in which Wyatt Earp is presented in each film and this portrayal's relationship to the period in which the film was made is also examined in detail. Films discussed are *Frontier Marshal* (1939), *Tombstone: The Town Too Tough to Die* (1942), *My Darling Clementine* (1946), *Gunfight at the O.K. Corral* (1957), *Hour of the Gun* (1967), *Doc* (1971), *Tombstone* (1993), and *Wyatt Earp* (1994). Period photographs are also included.

### **The Mask of Masculinity**

#### **How Men Can Embrace Vulnerability, Create Strong Relationships and Live Their Fullest Lives** *Hay House, Inc*

At 30 years old, Lewis Howes was outwardly thriving but unfulfilled inside. He was a successful athlete and businessman, achieving goals beyond his wildest dreams, but he felt empty, angry, frustrated, and always chasing something that was never

enough. His whole identity had been built on misguided beliefs about what "masculinity" was. Howes began a personal journey to find inner peace and to uncover the many masks that men – young and old – wear. In *The Mask of Masculinity*, Howes exposes the ultimate emptiness of the Material Mask, the man who chases wealth above all things; the cowering vulnerability that hides behind the Joker and Stoic Masks of men who never show real emotion; and the destructiveness of the Invincible and Aggressive Masks worn by men who take insane risks or can never back down from a fight. He teaches men how to break through the walls that hold them back and shows women how they can better understand the men in their lives. It's not easy, but if you want to love, be loved and live a great life, then it's an odyssey of self-discovery that all modern men must make. This book is a must-read for every man – and for every woman who loves a man.

### **Becoming Steve Jobs**

#### **The Evolution of a Reckless Upstart into a Visionary Leader** *Currency*

company he founded become the most effective visionary business leader of our time, ultimately transforming the daily life of billions of people? Drawing on incredible and sometimes exclusive access, Schlender and Tetzeli tell a different story of a real human being who wrestled with his failings and learned to maximize his strengths over time. Their rich, compelling narrative is filled with stories never told before from the people who knew Jobs best, including his family, former inner circle executives, and top people at Apple, Pixar and Disney, most notably Tim Cook, Jony Ive, Eddy Cue, Ed Catmull, John Lasseter, Robert Iger and many others. In addition, Schlender knew Jobs personally for 25 years and draws upon his many interviews with him, on and off the record, in writing the book. ### **The Extortionist**

#### **A Mystery Story** *Xlibris Corporation*

Steve Block, a retired New York City police detective was surprised when he was summoned to meet with the head of the Family. Years earlier, to avoid conflicts that were certain to arise,

he had established a set of operating ground rules with his best friend, Joe Monetti, a ranking member of the Mafia. Those rules defined their relationship in the event of confrontations between the Family and the police. He was caught off guard, therefore, to find that the purpose of his meeting was to help the Mafia find the killer of one of their members, Sal Vitorio. The New York City Police Department had made a cursory investigation of the murder and had met with no success in finding the killer. Although the murdered man was ostensibly a legitimate businessman, the police knew that the victim was a front for the Mafia, with prior involvement in both drugs and prostitution. They did not intend to undertake a costly investigation to find the killer of a Mafia member. City budgets would not allow it. The Extortionist is the story of how Steve Block learns how to deal with the Family in tracking down the extortionist and killer. And it describes how Steve Block, when he finally identifies Stoddard Blakeslee as the extortionist and murderer, discovers he has the wrong person.

no filter. Anarchist in the kitchen, an enigma in yesterday's culinary world. A psychedelic, hedonistic, vicious, emotional and passionate journey. A victim of child abuse and neglect, from a young age Knuckles struggles with drug and alcohol addiction. Powerless to escape the noxious scuttlebutt, Knuckles strives to move forward to achieve his career goal. Executive head chef within a prestigious 5\* hotel with Michelin star status. Suffering with CPTSD, suicidal thoughts, OCD and a tsunami of professional issues. After three decades as a chef, Knuckles throws in the towel.
