This MSc looks in depth at issues which affect businesses operating internationally, from challenges of environmental sustainability and social responsibility to

ethical management across cultures.

International Business and Strategic Management (MSc

...

Global business is a term used to describe both international trade and the act of a company doing business in more than one area (i.e. country) of the world. Some examples of well-known global businesses include Google, Apple, and eBay. All of these companies were founded in America, but have since expanded to other areas of the world.
