Property And Casualty Insurance

Property insurance and casualty insurance (also known as P&C insurance) are types of coverage that help protect you and the property you own. Property insurance helps cover stuff you own like your home or your car. Casualty insurance means that the policy includes liability coverage to help protect you if you're found legally responsible for an accident that causes injuries to another person or damage to another person's belongings.

What is Property and Casualty Insurance? | Allstate

Property and casualty insurance is a broad insurance, which includes coverage to your structure, property and belongings in the event of vandalism,

theft, and more. If a thief were to break into your home, you would be protected up to your covered limits under your homeowners insurance policy.

What Is Property and Casualty Insurance? - Nationwide

Are you preparing for your state's property and casualty licensing exam? Or perhaps you're thinking of adding it to your portfolio. Here's what you need to know about this type of insurance. Property Insurance. Property insurance is relatively simple to define. It includes many types of insurance designed to cover property losses—the risks that we will suffer financial losses because things we own are damaged or destroyed.

Property & Casualty: What Potential

Agents Need to Know

Property and casualty (P&C) is the term commonly used to describe insurance designed to protect an individual from loss or damage to the physical assets he or she owns. For example, a fire may seriously damage or completely destroy a home.
