The Great Gatsby by F. Scott Fitzgerald

Literature Guide

Fun Home

A Family Tragicomic *Houghton Mifflin Harcourt*

A memoir done in the form of a graphic novel by a cult favorite comic artist offers a darkly funny family portrait that details her relationship with her father--a funeral home director, high school English teacher, and closeted homosexual.

Under the Red, White, and Blue

Under the Red, White, and Blue was F. Scott Fitzgerald's final choice for the novel we all know as, The Great Gatsby. This particular edition aims to achieve Fitzgerald's last known wishes for the novel, if such a thing exists. The Introduction discusses Fitzgerald's struggle with the title as well as the influence of the original cover art and its artist, Francis Cugat.

Careless People

Murder, Mayhem, and the Invention of The Great Gatsby *Penguin*

Kirkus (STARRED review) "Churchwell... has written an excellent book... she’s earned the right to play on [Fitzgerald's] court. Prodigious research and fierce affection illumine every remarkable page.” The autumn of 1922 found F. Scott Fitzgerald at the height of his fame, days from turning twenty-six years old, and returning to New York for the publication of his fourth book, Tales of the Jazz Age. A spokesman for America’s carefree younger generation, Fitzgerald found a home in the glamorous and reckless streets of New York. Here, in the final incredible months of 1922, Scott and Zelda Fitzgerald drank and quarreled and partied amid financial scandals, literary milestones, car crashes, and celebrity disgraces. Yet the Fitzgeralds’ triumphant return to New York coincided with another event: the discovery of a brutal double murder in nearby New Jersey, a crime made all the more horrible by the farce of a police investigation—which failed to accomplish anything beyond generating enormous publicity for the newfound celebrity participants. Proclaimed the “crime of the decade” even as its proceedings dragged on for years, the Mills-Hall murder has been wholly forgotten today. But the enormous impact of this bizarre crime can still be felt in The Great Gatsby, a novel Fitzgerald began planning that autumn of 1922 and whose plot he ultimately set within that fateful year. Careless People is a unique literary investigation: a gripping double narrative that combines a forensic search for clues to an unsolved crime and a quest for the roots of America’s best loved novel. Overturning much of the received wisdom of the period, Careless People blends biography and history with lost newspaper accounts, letters, and newly discovered archival materials. With great wit and insight, acclaimed scholar of American literature Sarah Churchwell reconstructs the events of that pivotal autumn, revealing in the process new ways of thinking about Fitzgerald’s masterpiece. Interweaving the biographical story of the Fitzgeralds with the unfolding investigation into the murder of Hall and Mills, Careless People is a thrilling combination of literary history and murder mystery, a mesmerizing journey into the dark heart of Jazz Age America.

Nightmare Alley *New York Review of Books*

Soon to be a major motion picture from Academy Award–winning director Guillermo del Toro and starring Bradley Cooper, Cate Blanchett, Rooney Mara, and Toni Collette. Nightmare Alley begins with an extraordinary description of a carnival-show geek—alcoholic and abject and the object of the voyeuristic crowd’s gleeful disgust and derision—going about his work at a county fair. Young Stan Carlisle is working as a carny, and he wonders how a man could fall so low. There’s no way in hell, he vows, that anything like that will ever happen to him. And since Stan is clever and ambitious and not without a useful streak of ruthlessness, soon enough he’s going places. Onstage he plays the mentalist with a cute assistant (before long his harried wife), then he graduates to full-blown spiritualist, catering to the needs of the rich and gullible in their well-upholstered homes. It looks like the world is Stan’s for the taking. At least for now.

Before Gatsby

The First Twenty-six Stories *Reaktion Books*

A collection of "commercial short stories F. Scott Fitzgerald published before he began to work on what would become his great American novel, The Great Gatsby."--Back cover.

Lectures

The Great Gatsby *Wordsworth Editions*

A young man newly rich tries to recapture the past and win back his former love, despite the fact that she has married

The Gun and the Pen

Hemingway, Fitzgerald, Faulkner, and the Fiction of Mobilization *Oxford University Press*

Ernest Hemingway, F. Scott Fitzgerald, and William Faulkner stand as the American voice of the Great War. But was it warfare that drove them to write? Not according to Keith Gandal, who argues that the authors' famous postwar novels were motivated not by their experiences of the horrors of war but rather by their failure to have those experiences. These 'quintessential' male American novelists of the 1920s were all, for different reasons, deemed unsuitable as candidates for full military service or command. As a result, Gandal contends, they felt themselves emasculated--not, as the usual story goes, due to their encounters with trench warfare, but because they got nowhere near the real action. Bringing to light previously unexamined Army records, including new information about the intelligence tests, The Gun and the Pen demonstrates that the authors' frustrated military ambitions took place in the forgotten context of the unprecedented U.S. mobilization for the Great War, a radical effort to transform the Army

into a meritocratic institution, indifferent to ethnic and class difference (though not to racial difference). For these Lost Generation writers, the humiliating failure vis-a-vis the Army meant an embarrassment before women and an inability to compete successfully in a rising social order, against a new set of people. The Gun and the Pen restores these seminal novels to their proper historical context and offers a major revision of our understanding of America's postwar literature.

The Great Gatsby

With a New Historical Introduction for the Classroom

With New Historical Introduction for the Classroom The novel that helped define an era. The Great Gatsby is considered F. Scott Fitzgerald's magnum opus, exploring themes of decadence, idealism, social stigmas, patriarchal norms, and the deleterious effects of unencumbered wealth in capitalistic society, set against the backdrop of the Jazz Age and the Roaring Twenties. At its heart, it's a cautionary tale, a revealing look into the darker side to the American Dream. "When I came back from the East last autumn I felt that I wanted the world to be in uniform and at a sort of moral attention forever; I wanted no more riotous excursions with privileged glimpses into the human heart. Only Gatsby, the man who gives his name to this book, was exempt from my reaction-Gatsby who represented everything for which I have an unaffected scorn. If personality is an unbroken series of successful gestures, then there was something gorgeous about him, some heightened sensitivity to the promises of life, as if he were related to one of those intricate machines that register earthquakes ten thousand miles away. This responsiveness had nothing to do with that flabby impressionability which is dignified under the name of the "creative temperament"-it was an extraordinary gift for hope, a romantic readiness such as I have never found in any other person and which it is not likely I shall ever find again. No-Gatsby turned out all right at the end; it is what preyed on Gatsby, what foul dust floated in the wake of his dreams that temporarily closed out my interest in the abortive sorrows and short-winded elations of men..."

The Things They Carried *HarperCollins*

A classic work of American literature that has not stopped changing minds and lives since it burst onto the literary scene, The Things They Carried is a ground-breaking meditation on war, memory, imagination, and the redemptive power of storytelling. The Things They Carried depicts the men of Alpha Company: Jimmy Cross, Henry Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa, and the character Tim O'Brien, who has survived his tour in Vietnam to become a father and writer at the age of forty-three. Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. The Things They Carried won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle Award.

John L. Stoddard's Lectures

The Catcher in the Rye

The Twenty-one Balloons

Relates the incredible adventures of Professor William Waterman Sherman who in 1883 sets off in a balloon across the Pacific, survives the volcanic eruption of Krakatoa, and is eventually picked up in the Atlantic.

This Side of Paradise Illustrated

This Side of Paradise is the debut novel by F. Scott Fitzgerald, published in 1920. The book examines the lives and morality of post-World War I youth. Its protagonist Amory Blaine is an attractive student at Princeton University who dabbles in literature. The novel explores the theme of love warped by greed and status seeking, and takes its title from a line of Rupert Brooke's poem Tiare Tahiti. The novel famously helped F. Scott Fitzgerald gain Zelda Sayre's hand in marriage; its publication was her condition of acceptance.

The Seven Basic Plots

Why We Tell Stories *Bloomsbury Publishing*

This remarkable and monumental book at last provides a comprehensive answer to the age-old riddle of whether there are only a small number of 'basic stories' in the world. Using a wealth of examples, from ancient myths and folk tales via the plays and novels of great literature to the popular movies and TV soap operas of today, it shows that there are seven archetypal themes which recur throughout every kind of storytelling. But this is only the prelude to an investigation into how and why we are 'programmed' to imagine stories in these ways, and how they relate to the inmost patterns of human psychology. Drawing on a vast array of examples, from Proust to detective stories, from the Marquis de Sade to E.T., Christopher Booker then leads us through the extraordinary changes in the nature of storytelling over the past 200 years, and why so many stories have 'lost the plot' by losing touch with their underlying archetypal purpose. Booker analyses why evolution has given us the need to tell stories and illustrates how storytelling has provided a uniquely revealing mirror to mankind's psychological development over the past 5000 years. This seminal book opens up in an entirely new way our understanding of the real purpose storytelling plays in our lives, and will be a talking point for years to come.

Underneath the Glamour *Createspace Independent Publishing Platform*

This is the thesis of author Marisa Williams for her Master's in Writing at the Johns Hopkins University. Written in a three-lined scheme, the reality-based fiction collection of short stories spans life in a restaurant of gore, an indecent proposal, poetic tidbits and a second-person story involving her time in the music industry. Be prepared to chew on a dead cat's eyeball, be torn with desire, hide under the covers, learn what saying no can lead to and venture underneath the glamour.

The Great Gatsby *The Anglo Egyptian Bookshop*

The Great Gatsby is a 1925 novel by American writer F. Scott Fitzgerald. Set in the Jazz Age on Long Island, the novel depicts narrator Nick Carraway's interactions with mysterious millionaire Jay Gatsby and Gatsby's obsession to reunite with his former lover, Daisy Buchanan

The Great Gastby

Set in the Jazz Age on Long Island, the novel depicts narrator Nick Carraway's interactions with mysterious millionaire Jay Gatsby and Gatsby's obsession to reunite with his former lover, Daisy Buchanan. Gatsby continues to attract popular and scholarly attention. The novel was most recently adapted to film in 2013 by director Baz Luhrmann, while modern scholars emphasize the novel's treatment of social class, inherited wealth compared to those who are self-made, race, environmentalism, and its cynical attitude towards the American dream. As with other works by Fitzgerald, criticisms include allegations of antisemitism. The Great Gatsby is widely considered to be a literary masterwork and a contender for the title of the Great American Novel.

Elements of Language

Second Course *Holt McDougal*

Elements of Language 2009 provides practical teaching strategies, differentiated instruction, and engaging presentation tools that offer more ways to reach more students than ever before. In partnership with teachers like you, Holt created Elements of Language to provide practical teaching strategies for today's challenging classroom, innovative ways to differentiate instruction, and streamlined technology tools. Inventing Great Neck

Jewish Identity and the American Dream *Rutgers University Press*

Examines the little-known story of how Great Neck, New York, was transformed from a Gentile community to one in which Jews were the majority, in a rich narrative that illustrates the allure of suburbia, Jewish identity in America, and the American dream itself.

Crazy Sunday *Independently Published*

Crazy Sundayby Francis Scott FitzgeraldFrancis Scott Key Fitzgerald was an American fiction writer, whose works illustrate the Jazz Age. While he achieved popular success, fame, and fortune in his lifetime, he didn't receive much critical acclaim until after his death.

Collections California 2017, Grade 12

The Great Gatsby (Anglo) *The Anglo Egyptian Bookshop*

"He talked a lot about the past and I gathered that he wanted to recover something, some idea of himself perhaps, that had gone into loving Daisy. His life had been confused and disordered since then, but if he could once return to a certain starting place and go over it all slowly, he could find out what that thing was . . ." The Great Gatsby (1925), F. Scott Fitzgerald's masterpiece, stands among the greatest of all American fiction. Jay Gatsby's lavish lifestyle in a mansion on Long Island's gold coast encapsulates the spirit, excitement, and violence of the era Fitzgerald named the Jazz Age'. Impelled by his love for Daisy Buchanan, Gatsby seeks nothing less than to recapture the moment five years earlier when his best and brightest dreams - his unutterable visions' - seemed to be incarnated in herkiss. A moving portrayal of the power of romantic imagination, as well as the pathos and courage entailed in the pusuit of an unattainable dream, The Great Gatsby is a classic fiction of hope and disillusion. This edition is fully annotated with a fine Introduction incorporating new interpretation and detailing Fitzgerald's struggle to write the novel, its critical reception and its significance for future generations.

Babylon Revisited *Penguin UK*

'But it hadn't been given for nothing. It had been given, even the most wildly squandered sum, as an offering to destiny that he might not remember the things most worth remembering, the things that he would now always remember' F. Scott Fitzgerald's stories defined the 1920s 'Jazz Age' generation, with their glittering dreams and tarnished hopes. In these three tales of a fragile recovery, a cut-glass bowl and a life lost, Fitzgerald portrays, in exquisite prose and with deep human sympathy, the idealism of youth and the ravages of success. This book includes Babylon Revisited, The Cut-Glass Bowl and The Lost Decade.

Where I Lived, and What I Lived For *Penguin UK*

Throughout history, some books have changed the world. They have transformed the way we see ourselves - and each other. They have inspired debate, dissent, war and revolution. They have enlightened, outraged, provoked and comforted. They have enriched lives - and destroyed them. Now

Penguin brings you the works of the great thinkers, pioneers, radicals and visionaries whose ideas shook civilization and helped make us who we are. Thoreau's account of his solitary and self-sufficient home in the New England woods remains an inspiration to the environmental movement - a call to his fellow men to abandon their striving, materialistic existences of 'quiet desperation' for a simple life within their means, finding spiritual truth through awareness of the sheer beauty of their surroundings.

So We Read On

How The Great Gatsby Came to Be and Why It Endures *Little, Brown*

The "Fresh Air" book critic investigates the enduring power of The Great Gatsby -- "The Great American Novel we all think we've read, but really haven't." Conceived nearly a century ago by a man who died believing himself a failure, it's now a revered classic and a rite of passage in the reading lives of millions. But how well do we really know The Great Gatsby? As Maureen Corrigan, Gatsby lover extraordinaire, points out, while Fitzgerald's masterpiece may be one of the most popular novels in America, many of us first read it when we were too young to fully comprehend its power. Offering a fresh perspective on what makes Gatsby great-and utterly unusual-So We Read On takes us into archives, high school classrooms, and even out onto the Long Island Sound to explore the novel's hidden depths, a journey whose revelations include Gatsby's surprising debt to hard-boiled crime fiction, its rocky path to recognition as a "classic," and its profound commentaries on the national themes of race, class, and gender. With rigor, wit, and infectious enthusiasm, Corrigan inspires us to re-experience the greatness of Gatsby and cuts to the heart of why we are, as a culture, "borne back ceaselessly" into its thrall. Along the way, she spins a new and fascinating story of her own.

Gentlemen Prefer Blondes

The Illuminating Diary of a Professional Lady

Wicked and glamorous, Lorelei Lee is the kind of girl who always gets what she wants, and these immortal diaries tell us how she does it. The Rising Tide of Color Against White World-supremacy

The Baker's Secret

A Novel *HarperCollins*

A tale beautifully, wisely, and masterfully told.” — Paula McLain, author of The Paris Wife and Circling the Sun From the multiple-award-winning, critically acclaimed author of The Hummingbird and The Curiosity comes a dazzling novel of World War II—a shimmering tale of courage, determination, optimism, and the resilience of the human spirit, set in a small Normandy village on the eve of D-Day. On June 5, 1944, as dawn rises over a small town on the Normandy coast of France, Emmanuelle is making the bread that has sustained her fellow villagers in the dark days since the Germans invaded her country. Only twenty-two, Emma learned to bake at the side of a master, Ezra Kuchen, the village baker since before she was born. Apprenticed to Ezra at thirteen, Emma watched with shame and anger as her kind mentor was forced to wear the six-pointed yellow star on his clothing. She was likewise powerless to help when they pulled Ezra from his shop at gunpoint, the first of many villagers stolen away and never seen again. In the years that her sleepy coastal village has suffered under the enemy, Emma has silently, stealthily fought back. Each day, she receives an extra ration of flour to bake a dozen baguettes for the occupying troops. And each day, she mixes that precious flour with ground straw to create enough dough for two extra loaves—contraband bread she shares with the hungry villagers. Under the cold, watchful eyes of armed soldiers, she builds a clandestine network of barter and trade that she and the villagers use to thwart their occupiers. But her gift to the village is more than these few crusty loaves. Emma gives the people a taste of hope—the faith that one day the Allies will arrive to save them.

F. Scott Fitzgerald's the Great Gatsby *Infobase Publishing*

Presents a series of critical essays discussing the structure, themes, and subject matter of Fitzgerald's story of the love between wealthy Jay Gatsby and the beautiful Daisy Buchanan.

The Great Gatsby *Рипол Классик*

Творчество Фрэнсиса Скотта Фицджеральда, одного из самых известных и блистательных авторов «эпохи джаза», остаётся актуальным и интересным и по сей день. Роман “Великий Гэтсби”, экранизированный в Голливуде через год после публикации рукописи, по праву можно назвать жемчужиной творчества автора. История о любви и разлуке, верности и предательстве продолжает покорять сердца читателей во всём мире. На примере главного героя романа, энергичного человека с большими способностями, что растратил драгоценную жизнь в погоне за ложными ценностями, Фицджеральд рисует картину американского «потерянного поколения» и переносит читателя в неповторимую атмосферу «эпохи джаза». Читайте зарубежную литературу в оригинале!

The Great Gatsby: A Novel

Illustrated Edition *Black Dog & Leventhal*

A beautifully illustrated version of the original 1925 edition of F. Scott Fitzgerald's classic Great American novel. Widely considered to be the greatest American novel of all time, The Great Gatsby is the story of the wealthy, quixotic Jay Gatsby and his obsessive love for debutante Daisy Buchanan. It is also a cautionary tale of the American Dream in all its exuberance, decadence, hedonism, and passion. First published in 1925 by Charles Scribner's Sons, The Great Gatsby sold modestly and received mixed reviews from literary critics of the time. Upon his death in 1940, Fitzgerald believed the book to be a failure, but a year later, as the U.S. was in the grips of the Second World War, an initiative known as Council on Books in Wartime was created to distribute paperbacks to soldiers abroad. The Great Gatsby became one of the most popular books provided to regiments, with more than 100,000 copies shipped to soldiers overseas. By 1960, the book was selling apace and being incorporated into classrooms across the nation. Today, it

has sold over 25 million copies worldwide in 42 languages. This exquisitely rendered edition of the original 1925 printing reintroduces readers to Fitzgerald's iconic portrait of the Jazz Age, complete with specially commissioned illustrations by Adam Simpson that reflect the gilded splendor of the Roaring Twenties.

The Great Gatsby (Study Guide)

Teacher Lesson Plans and Study Guide *BookCaps Study Guides*

Both the study guide and the lesson plan may be purchased individually; buy as a combo, however, and save.

X-Kit Literature Series: FET Great Gatsby *Pearson South Africa*

The Great Gatsby & All the Sad Young Men *Рипол Классик*

F.S. Fitzgerald was an American writer, whose works illustrate the Jazz Age. The Great Gatsby, Fitzgerald's third book, stands as the supreme achievement of his career. Being acclaimed by generations of readers, the story of the fabulously wealthy Jay Gatsby and his love for the beautiful Daisy Buchanan remains one of the most famous Fitzgerald's works. It is an exquisitely crafted tale of America in the 1920s. All the Sad Young Men is a wonderful short-story collection. It contains two of the most famous tales: the beautifully elegiac «The Rich Boy» and «Winter Dreams», dealing with wealthy protagonists as they come to terms with lost love and «Absolution», a boy’s confession to a priest.
