The unit emphasises the complexity of studying rural livelihoods and the need to

Unit 1: Rural Livelihoods: Importance and Definitions

Given the debate and trade-off in sustainable development and rural livelihoods, it needs to be recognized (Acharya, 2006) that in predominantly agricultural and rural countries, livelihoods of farmers and rural families may be difficult to improve without causing some damage to the natural resources and environment.

Sustainable Agriculture and Rural Livelihoods*

The sustainable livelihoods framework in 3.1.1 is an effort to conceptualise livelihoods in a holistic way, capturing the many complexities of livelihoods, and the constraints and opportunities that they are subjected to. These constraints and opportunities are shaped by numerous factors, ranging from global or national level trends and structures over which individuals have no control, and may not even be aware of, to more local norms and institutions and, finally, the assets to which the ...
