Storming Intrepid

Astonishingly entertaining. Very cinematic. A huge page turner. Enough twists and turns for twenty novels. I love a thriller that just takes off and flies, and the two that do that best for me are Firefox and Firefox Down both by Craig Thomas. I can add Storming Intrepid to the list. A huge cast of characters you will have no trouble keeping straight.

On the whole, this book is often similar in various aspects to Dale Brown's SILVER TOWER, with the space weapons ideas, but STORMING INTREPID definitely leaves Dale Brown standing on the ground! I would give this book at least 100 stars but the scale won't let me.
