The Man to Send Rain Clouds

Contemporary Stories by American

Indians Penguin Books

Fourteen stories about the strength and passion of today's American

Indian—including six from the acclaimed Leslie Marmon Silko. Anthropologists have long delighted us with the wise and colorful folktales they transcribed from their Indian informants. The stories in this collection are another matter altogether: these are white-educated Indians attempting to bear witness through a non-Indian genre, the short story. Over a two-year period, Kenneth Rosen traveled from town to town, pueblo to pueblo, to uncover the stories contained in this volume. All reveal, to varying degrees and in various ways, the preoccupations of contemporary

American Indians. Not surprisingly, many of the stories are infused with the bitterness of a people and a culture long repressed. Several deal with violence and the effort to escape from the pervasive, and so often destructive, white influence and system. In most, the enduring strength of the Indian past is very much in evidence, evoked as a kind of counterpoint to the repression and aimlessness that have marked, and still mark today, the lives of so many American Indians.

A Man and His Ship

America's Greatest Naval Architect and His Quest to Build the S.S. United States *Simon and Schuster*

A Harvard-educated historian and advisor to the S.S. United States Conservancy documents the story of innovative ship designer William Francis Gibbs, describing the breakthroughs that enabled him to craft high-performance ships of unprecedented versatility. 50,000 first printing.

The Lonely Man. [A Religious Tract.]

The Man from the Future: The Visionary Life of John von Neumann *W. W. Norton & Company*

An electrifying biography of one of the most extraordinary scientists of the twentieth century and the world he made. The smartphones in

our pockets and computers like brains. The vagaries of game theory and evolutionary biology. Nuclear weapons and self-replicating spacecrafts. All bear the fingerprints of one remarkable, yet largely overlooked, man: John von Neumann. Born in Budapest at the turn of the century, von Neumann is one of the most influential scientists to have ever lived. A child prodigy, he mastered calculus by the age of eight, and in high school made lasting contributions to mathematics. In Germany, where he helped lay the foundations of quantum mechanics, and later at Princeton, von Neumann's colleagues believed he had the fastest brain on the planet—bar none. He was instrumental in the Manhattan Project and the design of the atom bomb; he helped formulate the bedrock of Cold War geopolitics and modern economic theory; he created the first ever programmable digital computer; he prophesized the potential of nanotechnology; and, from his deathbed, he expounded on the limits of brains and computers—and how they might be overcome. Taking us on an astonishing journey, Ananyo Bhattacharya explores how a combination of genius and unique historical circumstance allowed a single man to sweep through a stunningly diverse array of fields, sparking

revolutions wherever he went. The Man from the Future is an insightful and thrilling intellectual biography of the visionary thinker who shaped our century.

The Man Who Died Twice

A Thursday Murder Club Mystery *Penguin*

An instant New York Times bestseller! The second gripping novel in the New York Times bestselling Thursday Murder Club series, soon to be a major motion picture from Steven Spielberg at Amblin Entertainment "It's taken a mere two books for Richard Osman to vault into the upper leagues of crime writers. . . The Man Who Died Twice. . . dives right into joyous fun." —The New York

Times Book Review Elizabeth, Joyce, Ron and Ibrahim—the Thursday Murder Club—are still riding high off their recent real-life murder case and are looking forward to a bit of peace and quiet at Cooper's Chase, their posh retirement village. But they are out of luck. An unexpected visitor—an old pal of Elizabeth's (or perhaps more than just a pal?)—arrives, desperate for her help. He has been accused of stealing diamonds worth millions from the wrong men and he's seriously on the lam. Then, as night follows day, the first body is found. But not the last. Elizabeth, Joyce, Ron and Ibrahim are up against a ruthless murderer who wouldn't bat an eyelid at

knocking off four septuagenarians. Can our four friends catch the killer before the killer catches them? And if they find the diamonds, too? Well, wouldn't that be a bonus? You should never put anything beyond the Thursday Murder Club. Richard Osman is back with everyone's favorite mystery-solving quartet, and the second installment of the Thursday Murder Club series is just as clever and warm as the first—an unputdownable, laugh-out-loud pleasure of a read.

Twilight Man

Love and Ruin in the Shadows of Hollywood and the Clark Empire *Penguin*
 "Twilight Man is

biography, romance, and nonfiction mystery, carrying with it the bite of fiction." -- Los Angeles Review of Books "In *Twilight Man*, Liz Brown uncovers a noir fairytale, a new glimpse into the opulent Gilded Age empire of the Clark family." —Bill Dedman, co-author of *The New York Times* bestseller *Empty Mansions: The Mysterious Life of Huguette Clark and the Spending of a Great American Fortune* The unbelievable true story of Harrison Post--the enigmatic lover of one of the richest men in 1920s Hollywood--and the battle for a family fortune. In the booming 1920s, William Andrews Clark Jr. was one of the richest, most respected men in Los Angeles. The son of the mining tycoon

known as "The Copper King of Montana," Clark launched the Los Angeles Philharmonic and helped create the Hollywood Bowl. He was also a man with secrets, including a lover named Harrison Post. A former salesclerk, Post enjoyed a lavish existence among Hollywood elites, but the men's money--and their homosexuality--made them targets, for the district attorney, their employees and, in Post's case, his own family. When Clark died suddenly, Harrison Post inherited a substantial fortune--and a wealth of trouble. From Prohibition-era Hollywood to Nazi prison camps to Mexico City nightclubs, *Twilight Man* tells the story of an illicit love

and the battle over a family estate that would destroy one man's life. Harrison Post was forgotten for decades, but after a chance encounter with his portrait, Liz Brown, Clark's great-grandniece, set out to learn his story. *Twilight Man* is more than just a biography. It is an exploration of how families shape their own legacies, and the lengths they will go in order to do so.

The Man Who Sent the SOS

A Memoir of Reincarnation and the Titanic

The Swallowed Man

A Novel *Penguin*

A NEW YORK TIMES EDITORS' CHOICE "A strange and tender

parable . . . All of Edward Carey's work is profound and delightful." —Max Porter, author of *Lanny*

The ingenious storyteller Edward Carey returns to reimagine a time-honored fable: the story of an impatient father, a rebellious son, and a watery path to forgiveness for the young man known as Pinocchio. In the small Tuscan town of Collodi, a lonely woodcarver longs for the companionship of a son. One day, "as if the wood commanded me," Giuseppe—better known as Geppetto—carves for himself a pinewood boy, a marionette he hopes to take on tour worldwide. But when his handsome new creation comes magically to life,

Geppetto screams . . . and the boy, Pinocchio, leaps from his arms and escapes into the night. Though he returns the next day, the wily boy torments his father, challenging his authority and making up stories—whereupon his nose, the very nose his father carved, grows before his eyes like an antler. When the boy disappears after one last fight, the father follows a rumor to the coast and out into the sea, where he is swallowed by a great fish—and consumed by guilt. He hunkers in the creature's belly awaiting the day when he will reconcile with the son he drove away. With all the charm, atmosphere, and emotional depth for which Edward Carey is known—and featuring

his trademark fantastical illustrations—The Swallowed Man is a parable of parenthood, loss, and letting go, from a creative mind on a par with Gregory Maguire, Neil Gaiman, and Tim Burton.

The Man Who Ran Washington

The Life and Times of James A. Baker III *Anchor*

BEST BOOK OF THE YEAR: The New York Times • The Washington Post • Fortune • Bloomberg
From two of America's most revered political journalists comes the definitive biography of legendary White House chief of staff and secretary of state James A. Baker III: the man who ran Washington when

Washington ran the world. For a quarter-century, from the end of Watergate to the aftermath of the Cold War, no Republican won the presidency without his help or ran the White House without his advice. James Addison Baker III was the indispensable man for four presidents because he understood better than anyone how to make Washington work at a time when America was shaping events around the world. The Man Who Ran Washington is a page-turning portrait of a power broker who influenced America's destiny for generations. A scion of Texas aristocracy who became George H. W. Bush's best friend on the tennis courts of the Houston Country Club,

Baker had never even worked in Washington until a devastating family tragedy struck when he was thirty-nine. Within a few years, he was leading Gerald Ford's campaign and would go on to manage a total of five presidential races and win a sixth for George W. Bush in a Florida recount. He ran Ronald Reagan's White House and became the most consequential secretary of state since Henry Kissinger. He negotiated with Democrats at home and Soviets abroad, rewrote the tax code, assembled the coalition that won the Gulf War, brokered the reunification of Germany and helped bring a decades-long nuclear superpower standoff to an end.

Ruthlessly partisan during campaign season, Baker governed as the avatar of pragmatism over purity and deal-making over division, a lost art in today's fractured nation. His story is a case study in the acquisition, exercise, and preservation of power in late twentieth-century America and the story of Washington and the world in the modern era--how it once worked and how it has transformed into an era of gridlock and polarization. This masterly biography by two brilliant observers of the American political scene is destined to become a classic.

"Where I come from, we've learned to silence ourselves. We've been taught that silence will

save us. Where I come from, we keep these stories to ourselves. To tell them to the outside world is unheard of—dangerous, the ultimate shame.” Palestine, 1990. Seventeen-year-old Isra prefers reading books to entertaining the suitors her father has chosen for her. Over the course of a week, the naïve and dreamy girl finds herself quickly betrothed and married, and is soon living in Brooklyn. There Isra struggles to adapt to the expectations of her oppressive mother-in-law Fareeda and strange new husband Adam, a pressure that intensifies as she begins to have children—four daughters instead of the sons Fareeda tells Isra she must bear.

Brooklyn, 2008. Eighteen-year-old Deya, Isra’s oldest daughter, must meet with potential husbands at her grandmother Fareeda’s insistence, though her only desire is to go to college. Deya can’t help but wonder if her options would have been different had her parents survived the car crash that killed them when Deya was only eight. But her grandmother is firm on the matter: the only way to secure a worthy future for Deya is through marriage to the right man. But fate has a will of its own, and soon Deya will find herself on an unexpected path that leads her to shocking truths about her family—knowledge that will force her to question everything

she thought she knew about her parents, the past, and her own future.

Memorial Drive

A Daughter's Memoir *HarperCollins*

An Instant New York Times Bestseller A New York Times Notable Book One of Barack Obama's Favorite Books of 2020 Named One of the Best Books of the Year by: The Washington Post, NPR, Shelf Awareness, Esquire, Electric Literature, Slate, The Los Angeles Times, USA Today, and InStyle A chillingly personal and exquisitely wrought memoir of a daughter reckoning with the brutal murder of her mother at the hands of her former stepfather, and the moving, intimate story

of a poet coming into her own in the wake of a tragedy At age nineteen, Natasha Trethewey had her world turned upside down when her former stepfather shot and killed her mother. Grieving and still new to adulthood, she confronted the twin pulls of life and death in the aftermath of unimaginable trauma and now explores the way this experience lastingly shaped the artist she became. With penetrating insight and a searing voice that moves from the wrenching to the elegiac, Pulitzer Prize-winning poet Natasha Trethewey explores this profound experience of pain, loss, and grief as an entry point into understanding the tragic course of her

mother's life and the way her own life has been shaped by a legacy of fierce love and resilience. Moving through her mother's history in the deeply segregated South and through her own girlhood as a "child of miscegenation" in Mississippi, Trethewey plumbs her sense of dislocation and displacement in the lead-up to the harrowing crime that took place on Memorial Drive in Atlanta in 1985. Memorial Drive is a compelling and searching look at a shared human experience of sudden loss and absence but also a piercing glimpse at the enduring ripple effects of white racism and domestic abuse. Animated by unforgettable prose and inflected by a

poet's attention to language, this is a luminous, urgent, and visceral memoir from one of our most important contemporary writers and thinkers.

The Twelve Lives of Alfred Hitchcock: An Anatomy of the Master of Suspense

W. W. Norton & Company

A fresh, innovative biography of the twentieth century's most iconic filmmaker. In *The Twelve Lives of Alfred Hitchcock*, Edward White explores the Hitchcock phenomenon—what

defines it, how it was invented, what it reveals about the man at its core, and how its legacy continues to shape our cultural world. The book's twelve chapters illuminate different aspects of Hitchcock's life and work: "The Boy Who Couldn't Grow Up"; "The Murderer"; "The Auteur"; "The Womanizer"; "The Fat Man"; "The Dandy"; "The Family Man"; "The Voyeur"; "The Entertainer"; "The Pioneer"; "The Londoner"; "The Man of God." Each of these angles reveals something fundamental about the man he was and the mythological creature he has become, presenting not just the life Hitchcock lived but also the various versions of himself that

he projected, and those projected on his behalf. From Hitchcock's early work in England to his most celebrated films, White astutely analyzes Hitchcock's oeuvre and provides new interpretations. He also delves into Hitchcock's ideas about gender; his complicated relationships with "his women"—not only Grace Kelly and Tippi Hedren but also his female audiences—as well as leading men such as Cary Grant, and writes movingly of Hitchcock's devotion to his wife and lifelong companion, Alma, who made vital contributions to numerous classic Hitchcock films, and burnished his mythology. And White is trenchant in his assessment of the

Hitchcock persona, so carefully created that Hitchcock became not only a figurehead for his own industry but nothing less than a cultural icon. Ultimately, White's portrayal illuminates a vital truth: Hitchcock was more than a Hollywood titan; he was the definitive modern artist, and his significance reaches far beyond the confines of cinema.

The First Book of Moses, Called Genesis

Authorized King James Version

Grove/Atlantic, Inc.

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English

literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The

introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

Lord of the Flies

Penguin

Golding's iconic 1954 novel, now with a new foreword by Lois

Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

Indianapolis

The True Story of the Worst Sea Disaster in U.S. Naval History and the Fifty-Year Fight to Exonerate an Innocent Man *Simon & Schuster*

NEW YORK TIMES
BESTSELLER *

"GRIPPING...THIS YARN HAS IT ALL." —USA TODAY * "A WONDERFUL BOOK." —Christian Science Monitor *

"ENTHRALLING." —Kirkus Reviews (starred review) * "A MUST-READ."

—Booklist (starred review) A human drama unlike any other—the riveting and definitive full story of the worst sea disaster in United States naval history. Just after midnight on July 30, 1945, the USS Indianapolis is sailing alone in the Philippine

Sea when she is sunk by two Japanese torpedoes. For the next five nights and four days, almost three hundred miles from the nearest land, nearly nine hundred men battle injuries, sharks, dehydration, insanity, and eventually each other. Only 316 will survive. For the first time Lynn Vincent and Sara Vladic tell the complete story of the ship, her crew, and their final mission to save one of their own in "a wonderful book...that features grievous mistakes, extraordinary courage, unimaginable horror, and a cover-up...as complete an account of this tragic tale as we are likely to have" (The Christian Science Monitor). It begins in 1932, when Indianapolis is christened and continues through World War II, when the ship embarks on her final world-changing mission: delivering the core of the atomic bomb to the Pacific for the strike on Hiroshima. "Simply outstanding...Indianapolis is a must-read...a tour de force of true human drama" (Booklist, starred review) that goes beyond the men's rescue to chronicle the survivors' fifty-year fight for justice on behalf of their skipper, Captain Charles McVay III, who is wrongly court-martialed for the sinking. "Enthralling...A gripping study of the greatest sea disaster in the history of the US Navy and its aftermath" (Kirkus Reviews, starred review), Indianapolis

stands as both groundbreaking naval history and spellbinding narrative—and brings the ship and her heroic crew back to full, vivid, unforgettable life. “Vincent and Vladic have delivered an account that stands out through its crisp writing and superb research...Indianapolis is sure to hold its own for a long time” (USA TODAY).

The Book Thief *Knopf Books for Young Readers*

#1 NEW YORK TIMES BESTSELLER • ONE OF TIME MAGAZINE’S 100 BEST YA BOOKS OF ALL TIME

The extraordinary, beloved novel about the ability of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she

encounters something she can't resist—books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of *I Am the Messenger*, has given us one of the most enduring stories of our time. “The kind of book that can be life-changing.” —*The New York Times* “Deserves a place on the same shelf with *The Diary of a Young Girl* by Anne Frank.” —*USA Today* DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE

THE BOOK THIEF.

The Epic of Gilgamesh

PreachersNSneakers

Authenticity in an Age of For-Profit Faith and (Wannabe) Celebrities *Thomas Nelson*

Founder of the phenomenon social media account PreachersNSneakers tackles how faith, capitalism, consumerism, and (wannabe) celebrity have collided and asks both believers and nonbelievers alike: how much is too much? What started as a joke account on Instagram has turned into a movement. Through this provocative project, the founder of PreachersNSneakers is helping thousands of

Jesus followers wrestle with the inevitable dilemmas created by our Western culture obsessed with image and entertainment. In *PreachersNSneakers: Authenticity in an Age of For-Profit Faith and (Wannabe) Celebrities*, Ben Kirby approaches many of the difficult questions plaguing countless Christians' minds, presenting experiences and input from both sides of difficult questions, such as: Should pastors grow wealthy off of religion, and can their churches ever be too large? Do we really believe that divine blessings are monetary, or is that just religious wallpaper to hide our own greed? Is there space in Christendom for celebrities like Kanye and Bieber to exist without distorting the good news? What about this: Is it wrong for someone—even wrong for author Ben Kirby—to call out faith leaders online and leverage “cancel culture” to affect change?

PreachersNSneakers will navigate these challenging questions and many more with humor, wit, candor, and a few never-before-published hijinks. Each chapter will explore the various sides of the debate, holding space for us to make up our own minds. This book is not about finding the perfect, “right” way to do something, but instead learning how to articulate what we believe, why we believe it, and what to do when we want to stand up against

cultural norms. This book will doubtlessly become a staple for church small groups, college ministries, and book clubs, emboldening struggling believers who want to live a more genuine faith. After all, the Lord works in mysterious colorways.

Things Fall Apart

Penguin UK

Okonkwo is the greatest warrior alive, famous throughout West Africa. But when he accidentally kills a clansman, things begin to fall apart. Then Okonkwo returns from exile to find missionaries and colonial governors have arrived in the village. With his world thrown radically off-balance he can only

hurtle towards tragedy. Chinua Achebe's stark novel reshaped both African and world literature. This arresting parable of a proud but powerless man witnessing the ruin of his people begins Achebe's landmark trilogy of works chronicling the fate of one African community, continued in *Arrow of God* and *No Longer at Ease*.

A Novel of the Next World War 2034

From two former military officers and award-winning authors, a chillingly authentic geopolitical thriller that imagines a naval clash between the US and China in the South China Sea in 2034--and the path from there to a nightmarish global conflagration. On March 12, 2034, US Navy

Commodore Sarah Hunt is on the bridge of her flagship, the guided missile destroyer USS John Paul Jones, conducting a routine freedom of navigation patrol in the South China Sea when her ship detects an unflagged trawler in clear distress, smoke billowing from its bridge. On that same day, US Marine aviator Major Chris "Wedge" Mitchell is flying an F35E Lightning over the Strait of Hormuz, testing a new stealth technology as he flirts with Iranian airspace. By the end of that day, Wedge will be an Iranian prisoner, and Sarah Hunt's destroyer will lie at the bottom of the sea, sunk by the Chinese Navy. Iran and China have clearly coordinated their moves, which involve

the use of powerful new forms of cyber weaponry that render US ships and planes defenseless. In a single day, America's faith in its military's strategic pre-eminence is in tatters. A new, terrifying era is at hand. So begins a disturbingly plausible work of speculative fiction, co-authored by an award-winning novelist and decorated Marine veteran and the former commander of NATO, a legendary admiral who has spent much of his career strategically outmaneuvering America's most tenacious adversaries. Written with a powerful blend of geopolitical sophistication and human empathy, 2034 takes us inside the minds of a global cast of characters-- Americans, Chinese, Iranians, Russians, Indians--as a series of arrogant miscalculations on all sides leads the world into an intensifying international storm. In the end, China and the United States will have paid a staggering cost, one that forever alters the global balance of power. Everything in 2034 is an imaginative extrapolation from present-day facts on the ground combined with the authors' years working at the highest and most classified levels of national security. Sometimes it takes a brilliant work of fiction to illuminate the most dire of warnings: 2034 is all too close at hand, and this cautionary tale presents the reader a dark yet possible future that we must do

all we can to avoid.

searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if

anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. The Road is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation.

End of Summer

A Post Viral-apocalypse Story: Book One of the Seasons of Man *Independently Published*

When a viral apocalypse kills 97% percent of the people on the planet, the survivor's humanity is hanging by a thread. Fighting over the leftovers of civilization, what's needed is a hero that's more killer than saint. The people he finds become family and that is very bad news for those who think they are running things. This is the first book in new series from the author of the Eden Chronicle's "A Bright Shore" and "Come and Take it." The author is a former CIA operations officer who has decided that

his lifelong writing habit/hobby/obsession is more fun than "real" work. "Finally an author that doesn't pull punches..." Amazon Reviewer "Not going to work tomorrow, it's 4 am and I just finished one of the best books I've read in years.." Amazon Reviewer

The Man Who Mistook His Wife for a Hat

And Other Clinical Tales *Vintage*

In his most extraordinary book, the bestselling author of Awakenings and "poet laureate of medicine" (The New York Times) recounts the case histories of patients inhabiting the compelling world of neurological disorders, from those who are no longer able to

recognize common objects to those who gain extraordinary new skills. Featuring a new preface, Oliver Sacks's *The Man Who Mistook His Wife for a Hat* tells the stories of individuals afflicted with perceptual and intellectual disorders: patients who have lost their memories and with them the greater part of their pasts; who are no longer able to recognize people and common objects; whose limbs seem alien to them; who lack some skills yet are gifted with uncanny artistic or mathematical talents. In Dr. Sacks's splendid and sympathetic telling, his patients are deeply human and his tales are studies of struggles against incredible adversity. A great healer, Sacks

never loses sight of medicine's ultimate responsibility: "the suffering, afflicted, fighting human subject."

The Lovely Bones

Bloomsbury Publishing
Susie Salmon is just like any other young American girl. She wants to be beautiful, adores her charm bracelet and has a crush on a boy from school. There's one big difference though - Susie is dead. Add: Now she can only observe while her family manage their grief in their different ways. Susie is desperate to help them and there might be a

way of reaching them... Alice Sebold's novel *The Lovely Bones* is a unique coming-of-age tale that captured the hearts of readers throughout the world. Award-winning playwright Bryony Lavery has adapted it for this unforgettable play about life after loss.

Uncomfortable Conversations with a Black Man *Flatiron Books: An Oprah Book* INSTANT NEW YORK TIMES BESTSELLER An urgent primer on race and racism, from the host of the viral hit video series “Uncomfortable Conversations with a Black Man” “You cannot fix a problem you do not know you have.” So begins Emmanuel Acho in his essential guide to the

truths Americans need to know to address the systemic racism that has recently electrified protests in all fifty states. “There is a fix,” Acho says. “But in order to access it, we’re going to have to have some uncomfortable conversations.” In *Uncomfortable Conversations With a Black Man*, Acho takes on all the questions, large and small, insensitive and taboo, many white Americans are afraid to ask—yet which all Americans need the answers to, now more than ever. With the same open-hearted generosity that has made his video series a phenomenon, Acho explains the vital core of such fraught concepts as white privilege, cultural

appropriation, and “reverse racism.” In his own words, he provides a space of compassion and understanding in a discussion that can lack both. He asks only for the reader’s curiosity—but along the way, he will galvanize all of us to join the antiracist fight.

Man Your Post

Learning to Lead Like St. Joseph *Tan Books*

Man Your Post: Learning to Lead like St. Joseph is a mission entrusted to you by a company of Catholic men who have faced challenges and found strength through the intercession of the head of the Holy Family, the man who provided for Jesus and Mary during their earthly lives and

protected them on harrowing journeys as they fled from danger and battled the forces of this world. By embarking on a tour of the Litany of St. Joseph, each chapter explores the power and freedom virtue brings to the lives of ordinary men trying to lead their families to heaven, virtues like justice, chastity, prudence, fortitude, faithfulness and others.

The Autobiography of an Ex-Colored Man *Standard Ebooks*

The protagonist of this fictional autobiography wrestles with race in America from the perspective of someone who learns that he is considered black but also that he can pass as white if he wants to. His personal ambitiousness and

racial ambivalence makes him a sort of American Hamlet: undone by indecision. Will he be “a credit to his race” by advancing an African-American heritage he loves and appreciates in the face of a hostile culture, or will he retreat into the mediocrity of a safe, white, middle-class family life? Along the way, he shares his penetrating observations about race relations in the American north and south, about the “freemasonry” of subterranean black American culture, about the emerging bohemian jazz subculture in New York City, and about traditions of African American religious music and oratory. This book is part of the Standard Ebooks

project, which produces free public domain ebooks.

The Turn of the Screw Illustrated

The Turn of the Screw is an 1898 Horrornovella by Henry James that first appeared in serial format in Collier's Weekly magazine (January 27 - April 16, 1898). In October 1898 it appeared in The Two Magics, a book published by Macmillan in New York City and Heinemann in London. Classified as both gothic fiction and a ghost story, the novella focuses on a governess who, caring for two children at a remote estate, becomes convinced that the grounds are haunted.

The Mountain Man's Muse (A Modern

Mail-Order Bride Romance Book 1)

Frankie Love

When River orders a wife, he's hoping she'll cure his writer's block. But when he meets his bride, he knows she's more than a quick-fix—she's his muse. Rose needs a quiet place to record her yoga videos and a lakeside cabin in the middle of nowhere is better than her L.A. apartment. Yes, it means she's a mail-order bride but Rose isn't scared of a challenge. River is handsome and knows how to use his hands so what if he's a bit of a recluse? She'll take a deep breath and take it one day at a time. Except someone is after her— and tracking her every move. She may be his muse—but she needs a hero. Dear Reader,

River's more than a mountain man, he's a romantic at heart. He'll make you swoon, sweat, and have you packing your bags to be the next mail-order bride in this series. xo, frankie

Hatchet Man

How Bill Barr Broke the Prosecutor's Code and Corrupted the Justice Department

HarperCollins

NATIONAL BESTSELLER
“Elie Honig has written much more than a compelling takedown of an unfit attorney general; he also offers a blueprint for how impartial and apolitical justice should be administered in America.”—Preet Bharara “An essential analysis for anyone committed to

understanding the abuses of the Trump administration so we can ensure they never happen again.”—Joyce White Vance “Essential reading for all who cherish the rule of law in America.”—George Conway “Written with all the color and pacing of a legal thriller.”—Variety CNN Senior Legal Analyst Elie Honig exposes William Barr as the most corrupt attorney general in modern U.S. history, with stunning new scandals bubbling to the surface even after Barr’s departure from office. In *Hatchet Man*, former federal prosecutor Elie Honig uncovers Barr’s unprecedented abuse of power as Attorney General and the lasting structural damage done to the Justice Department. Honig uses his own experience as a prosecutor at DOJ to show how, as America’s top law enforcement official, Barr repeatedly violated the Department’s written rules, and those vital, unwritten norms and principles that comprise the “prosecutor’s code.” Barr was corrupt from the beginning. His first act as AG was to distort the findings of Special Counsel Robert Mueller, earning a public rebuke for his dishonesty from Mueller himself and, later, from a federal judge. Then, Barr tried to manipulate the law to squash a whistleblower’s complaint about Trump’s dealings with Ukraine—the report that eventually led to

Trump's first impeachment. Barr later intervened in an unprecedented manner to undermine his own DOJ prosecutors on the cases of Michael Flynn and Roger Stone, both political allies of the President. And then Barr fired the U.S. Attorney for the Southern District of New York under false pretenses. Finally, Barr amplified baseless theories about massive mail-in ballot fraud, pouring gasoline on the dumpster fire battle over the 2020 election results and contributing to the January 6 insurrection that led to Trump's second impeachment. In *Hatchet Man*, Honig proves that Barr trampled the two core virtues that have long defined the department and its

mission: credibility and independence – ultimately in service of his own deeply-rooted, extremist legal and personal beliefs. Honig shows how Barr corrupted the Justice Department and explains what we must do to prevent this from ever happening again.
