Power Quest, Book Two

The Ascendancy of Antichrist in America *Createspace Independent Pub*

In this compelling sequel to Power Quest Book One: America's Obsession with the Paranormal, S. Douglas Woodward reveals the hidden history of Nazi infestation of American institutions after World War II. Beginning with the 1952 flying saucer flap over the nations capital and concluding with the CIA's clandestine mind control agenda of the 1950s-1970s, the reader is confronted with highly charged and seldom known facts. The story centers on America's erstwhile alliance with German fascism linked to the infamous personalities of Hitler's Nazi Party who escaped the war crimes trials at Nuremberg. In this second volume of Power Quest, The Ascendancy of Antichrist in America, Woodward brings to the reader the recently declassified proof our America has often shunned its most noble ideals. The author uncovers a vast record of unethical and deceptive Federal activities committed in Washington's darkened corridors of political power. Woodward condenses mountains of highly reliable research compiled by authoritative investigative journalists and insiders along with his own well-turned analysis, demonstrating that the political and spiritual evil of Nazism was often excused and encouraged by American officials as part of a blind quest to fight communism during the Cold War. Woodward makes no secret of his evangelical perspective. But Power Quest: The Ascendancy of Antichrist in America is not a selective proof texting of biblical assertions or a diatribe against liberal political views. His account is a factual his-tory that most Americans have never heard. For conservative Christian readers, Woodward speaks prophetically - challenging the cherished assumption held by political conservatives that America traditionally takes the moral high ground. And he poses an alternative view to the typical eschatological position, asking "Could America be the seat of power for a literal personage the Bible calls Antichrist?"

Advent of the Antichrist

Birth of a King of Terror as Foreshadowed by Nostradamus and Revelation *iUniverse*

Advent of the Antichrist offers a thorough explanation of Nostradamus’s famous 1999 king of terror quatrain. Based on this quatrain, August 11, 1999, is an important date in history. On that day, a total solar eclipse took place over Europe. According to Nostradamus, it was also the date for the coming of the Antichrist. For he will be an eighth king (Revelation 17:11), he is the eleventh horn (Daniel 7:8), and his number is 666 (Revelation 13:18). Author K. L. Brady makes the argument that this is the eleventh hour, beginning with this date on a doomsday clock. History will record that the advent of the Antichrist coincided with the advent of the twenty-first century. Nostradamus writes of a great king whose war will give rise to another great king to come. Who are these great Kings? Advent of the Antichrist presents a new revelation that chronicles the birth and rise to power of the one who will head up an army and conquer the world. It also provides a clear explanation of the events behind the symbolic imagery and the biblical passages concerning the coming apocalypse. It is the time to warn and prepare yourself and those around you for what could take place. The clock is ticking toward a time of darkness and light such as the world has never seen before.

Into the Rising Sun *Createspace Independent Publishing Platform*
In August of 2011, I found myself on the banks of the Ohio River as the sun began its ascent. As a young boy, I watched in amazement as Ironman athletes competed in Kona. Before this dream came to fruition, my life had already been frenetic with four children and a busy practice. By the time it was over, though, I came to understand why I had little choice but to accept its calling. In multiple instances, I would come face-to-face with death in unlikely ways. I would find myself questioning the sanity of my decision. I would learn to find joy in strange places, in the briefest times. I would learn to embrace suffering and befriend those I never met. Into the Rising Sun is a chronicle of this journey, both as one individual in pursuit of a calling and one family in search of the truth. It became our story of faith, in each other and in realities difficult to comprehend. It is an intimate look at a young family shrouded in love midst the challenges of an ever-changing landscape and the travails that new life brings. In many ways, it is a saga of millions left untold all searching for clarity. Couched in this story are other related tales.
