Motivating kids to learn for learning's sake isn't easy, which is why teachers often rely on external motivators. These can take many forms, like contests, prizes, or parties. Even grades are a form of external motivation; a student who has earned an A on an assignment is typically more thrilled by the grade itself than the successful learning it represents.

How to Encourage Intrinsic Motivation in Students

Motivating students is one of the major challenges teachers face on a daily basis. Conceptualized as students’ energy and drive to engage, learn, work effectively, and achieve their potential at school, motivation and engagement play a large role in students’ interest and enjoyment of school (Martin, 2006). Understandably, both also play huge roles in academic achievement (Martin, 2001; Martin & Marsh, 2003).
