What are paid, owned, and earned media channels? Paid, owned, and earned media are often described as channels or streams of marketing. From billboards to social media ads, most of the marketing we see falls into one of the three types of media. While paid, owned, and earned media are all different, their end goal is the same – to build brand awareness and generate more business. In fact, most marketers have found that it’s not enough to rely solely on one media channel.
