Read Elements Of Physical Chemistry 5Th Edition 2009
The “CONCISE INORGANIC CHEMISTRY” – Fifth Edition is written by JD Lee. The aim of the fifth edition remains exactly the same as those of the first edition –. To provide a modern textbook of inorganic chemistry that is long enough to cover the essentials, yet short enough to be interesting. To provide a simple and logical framework into which the reader should be able to fit factual knowledge, and extrapolate from this to predict unknown facts.
