Born to Build *Gallup Press*
People will ask you throughout your life, “Where do you work?” and “What do you do?” They never ask you, “What are you building?” When conversations change to “What are you building?” the world will change. Written for anyone trying to figure out how to make the most of their lives, Born to Build seeks to inspire entrepreneurs and ambitious, self-motivated people to build something that will change the world. A builder’s venture could be a small business that grows into a mammoth enterprise, a thriving new division in an existing company, a nonprofit, a social enterprise, a church, a school — anything that creates economic growth and makes a lasting impact on society. Born to Build is written by Gallup Chairman and CEO Jim Clifton and Sangeeta Badal, Ph.D., Principal Scientist for Gallup’s Entrepreneurship and Job Creation initiative, and is grounded in years of research. This book goes beyond the conventional economics-based business training and instead offers a uniquely psychological approach to venture building. It gives readers the tools and techniques they need to understand who they are, what motivates them and what they can build — and how. By following the practical steps in Born to Build, readers will have the tools to build a sustainable and profitable venture of any size from scratch. Central to the book is a code that allows readers to take Gallup’s Builder Profile 10 (BP10) assessment, which identifies their innate talents and motivations and shows them how to make the most of their talents to build a successful enterprise.

Mrs. Frisby and the Rats of Nimh *Simon and Schuster*
Some extraordinary rats come to the aid of a mouse family in this Newbery Medal Award-winning classic by notable children’s author Robert C. O’Brien. Mrs. Frisby, a widowed mouse with four small children, is faced with a terrible problem. She must move her family to their summer quarters immediately, or face almost certain death. But her youngest son, Timothy, lies ill with pneumonia and must not be moved. Fortunately, she encounters the rats of NIMH, an extraordinary breed of highly intelligent creatures, who come up with a brilliant solution to her dilemma. And Mrs. Frisby in turn renders them a great service.

Ice Cream Lover *Jackie Lau Books*
I hate ice cream. Ever since my fiancée left me at the altar and skewered me in her bestseller “Embrace Your Inner Ice Cream Sandwich: Finding the Positive You in a World of Negativity,” I haven’t been able to stomach the stuff. Unfortunately, my five-year-old niece is a budding foodie and her favorite place in the world is Ginger Scoops, a cutesy Asian ice cream shop. Since I’ve been looking after my niece a lot lately, I've spent too much time there, sipping black coffee, refusing to eat ice cream, and trying not to look at the owner, Chloe Jenkins. Chloe is obnoxiously cheerful, and I can’t stand her. Naturally, I end up kissing her. But I’ve sworn off women after the fiasco with my ex-fiancée, and I’m convinced I’m no good at relationships. Still, with Chloe I’m tempted to do the impossible: give love and ice cream another chance...

Learning by Heart

An Unconventional Education *Penguin*
“A page turner. With candor and clarity, Tony Wagner tells the story of his remarkable life and, in so doing, tells the story of our education system.” —Angela Duckworth, Founder and CEO, Character Lab, and New York Times bestselling author of Grit
One of the world's top experts on education delivers an uplifting memoir on his own personal failures and successes as he sought to become a good learner and teacher. Tony Wagner is an eminent education specialist: he has taught at every grade level from high school through graduate school; worked at Harvard; done significant work for the Bill & Melinda Gates Foundation; and speaks across the country and all over the world. But before he found his success, Wagner was kicked out of middle school, expelled from high school, and dropped out of two colleges. Learning by Heart is his powerful account of his years as a student and teacher. After struggling in both roles, he learned to create meaningful learning experiences despite the constraints of conventional schooling--initially for himself and then for his students--based on understanding each student's real interests and strengthening his or her intrinsic motivations. Wagner's story sheds light on critical issues facing parents and educators today, and reminds us that trial and error, resilience, and respect for the individual, are at the very heart of all teaching and learning.

The House on Mango Street *Vintage*
NATIONAL BESTSELLER • A coming-of-age classic, acclaimed by critics, beloved by readers of all ages, taught in schools and universities alike, and translated around the world—from the winner of the 2019 PEN/Nabokov Award for Achievement in International Literature. The House on Mango Street is the remarkable story of Esperanza Cordero, a young Latina girl growing up in Chicago, inventing for herself who and what she will become. Told in a series of vignettes-sometimes heartbreaking, sometimes deeply joyous-Sandra Cisneros' masterpiece is a classic story of childhood and self-discovery. Few other books in our time have touched so many readers. “Cisneros draws on her rich [Latino] heritage ... and seduces with precise, spare prose, creat[ing] unforgettable characters we want to lift off the page. She is not only a gifted writer, but an absolutely essential one.” —The New York Times Book Review

Educated

A Memoir *Random House*
#1 NEW YORK TIMES, WALL STREET JOURNAL, AND BOSTON GLOBE BESTSELLER • One of the most acclaimed books of our time: an unforgettable memoir about a young woman who, kept out of school, leaves her survivalist family and goes on to earn a PhD from Cambridge University “Extraordinary . . . an act of courage and self-invention.”—The New York Times
NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW • ONE OF PRESIDENT BARACK OBAMA’S FAVORITE BOOKS OF THE YEAR • BILL GATES’S HOLIDAY READING LIST • FINALIST: National Book Critics Circle’s Award In Autobiography and John Leonard Prize For Best First Book • PEN/Jean Stein Book Award • Los Angeles Times Book Prize
Born to survivalists in the mountains of Idaho, Tara Westover was seventeen the first time she set foot in a classroom. Her family was so isolated from mainstream society that there was no one to ensure the children received an education, and no one to intervene when one of Tara’s older brothers became violent. When another brother got himself into college, Tara decided to try a new kind of life. Her quest for knowledge transformed her, taking her over oceans and across continents, to Harvard and to Cambridge University. Only then would she wonder if she’d traveled too far, if there was still a way home. “Beautiful and propulsive . . . Despite the singularity of [Westover’s] childhood, the questions her book poses are universal: How much of ourselves should we give to those we love? And how much must we betray them to grow up?”—Vogue

Dancing Sisters.

The Color Purple *Open Road Media*

Winner of the Pulitzer Prize and the National Book Award, this novel about a resilient and courageous woman has become a Broadway show and a cultural phenomenon. A PBS Great American Read Top 100 Pick Celie has grown up poor in rural Georgia, despised by the society around her and abused by her own family. She strives to protect her sister, Nettie, from a similar fate, and while Nettie escapes to a new life as a missionary in Africa, Celie is left behind without her best friend and confidante, married off to an older suitor, and sentenced to a life alone with a harsh and brutal husband. In an attempt to transcend a life that often seems too much to bear, Celie begins writing letters directly to God. The letters, spanning twenty years, record a journey of self-discovery and empowerment guided by the light of a few strong women. She meets Shug Avery, her husband’s mistress and a jazz singer with a zest for life, and her stepson’s wife, Sophia, who challenges her to fight for independence. And though the many letters from Celie’s sister are hidden by her husband, Nettie’s unwavering support will prove to be the most breathtaking of all. The Color Purple has sold more than five million copies, inspired an Academy Award-nominated film starring Oprah Winfrey and directed by Steven Spielberg, and been adapted into a Tony-nominated Broadway musical. Lauded as a literary masterpiece, this is the groundbreaking novel that placed Walker “in the company of Faulkner” (The Nation), and remains a wrenching—yet intensely uplifting—experience for new generations of readers. This ebook features a new introduction written by the author on the twenty-fifth anniversary of publication, and an illustrated biography of Alice Walker including rare photos from the author’s personal collection. The Color Purple is the 1st book in the Color Purple Collection, which also includes The Temple of My Familiar and Possessing the Secret of Joy.

The War of the Worlds *First Avenue Editions™*

When a meteorite lands in Surrey, the locals don't know what to make of it. But as Martians emerge and begin killing bystanders, it quickly becomes clear—England is under attack. Armed soldiers converge on the scene to ward off the invaders, but meanwhile, more Martian cylinders land on Earth, bringing reinforcements. As war breaks out across England, the locals must fight for their lives, but life on Earth will never be the same. This is an unabridged version of one of the first fictional accounts of extraterrestrial invasion. H. G. Wells's military science fiction novel was first published in book form in 1898, and is considered a classic of English literature.

Crooked House *Harper Collins*

“Writing Crooked House was pure pleasure and I feel justified in my belief that it is one of my best.” --Agatha Christie Described by the queen of mystery herself as one of her favorites of her published work, Crooked House is a classic Agatha Christie thriller revolving around a devastating family mystery. The Leonides are one big happy family living in a sprawling, ramshackle mansion. That is until the head of the household, Aristide, is murdered with a fatal barbiturate injection. Suspicion naturally falls on the old man’s young widow, fifty years his junior. But the murderer has reckoned without the tenacity of Charles Hayward, fiancé of the late millionaire’s granddaughter.

The Power Of Six Sigma (paperback Edition)

Madhouse at the End of the Earth

The Belgica's Journey into the Dark Antarctic Night *Crown*

NEW YORK TIMES BESTSELLER • The “exquisitely researched and deeply engrossing” (The New York Times) true survival story of an early polar expedition that went terribly awry—with the ship frozen in ice and the crew trapped inside for the entire sunless, Antarctic winter “The energy of the narrative never flags. . . . Sancton has produced a thriller.”—The Wall Street Journal In August 1897, the young Belgian commandant Adrien de Gerlache set sail for a three-year expedition aboard the good ship Belgica with dreams of glory. His destination was the uncharted end of the earth: the icy continent of Antarctica. But de Gerlache’s plans to be first to the magnetic South Pole would swiftly go awry. After a series of costly setbacks, the commandant faced two bad options: turn back in defeat and spare his men the devastating Antarctic winter, or recklessly chase fame by sailing deeper into the freezing waters. De Gerlache sailed on, and soon the Belgica was stuck fast in the icy hold of the Bellingshausen Sea. When the sun set on the magnificent polar landscape one last time, the ship’s occupants were condemned to months of endless night. In the darkness, plagued by a mysterious illness and besieged by monotony, they descended into madness. In Madhouse at the End of the Earth, Julian Sancton unfolds an epic story of adventure and horror for the ages. As the Belgica’s men teetered on the brink, de Gerlache relied increasingly on two young officers whose friendship had blossomed in captivity: the expedition’s lone American, Dr. Frederick Cook—half genius, half con man—whose later infamy would overshadow his brilliance on the Belgica; and the ship’s first mate, soon-to-be legendary Roald Amundsen, even in his youth the storybook picture of a sailor. Together, they would plan a last-ditch, nearly certain-to-fail escape from the ice—one that would either etch their names in history or doom them to a terrible fate at the ocean’s bottom. Drawing on the diaries and journals of the Belgica’s crew and with exclusive access to the ship’s

logbook, Sancton brings novelistic flair to a story of human extremes, one so remarkable that even today NASA studies it for research on isolation for future missions to Mars. Equal parts maritime thriller and gothic horror, Madhouse at the End of the Earth is an unforgettable journey into the deep.

A Feast for Crows *Bantam*

The kingdom exists in a state of perilous equilibrium following the death of a monstrous king, a regent ruling in King's Landing, and few claimants to the Iron Throne, until new conspiracies and alliances begin to erupt.

Soul on Ice

A Dark and Stormy Tea *Penguin*

A possible serial killer on the loose sends tea maven Theodosia Browning into a whirlwind of investigation in this latest installment of the New York Times bestselling series. It was a dark and stormy night, but that was the least of Theodosia Browning's troubles. As she approaches St. Philips Graveyard, Theodosia sees two figures locked in a strange embrace. Wiping rain from her eyes, Theodosia realizes she has just witnessed a brutal murder and sees a dark-hooded figure slip away into the fog. In the throes of alerting police, Theodosia recognizes the victim—it is the daughter of her friend, Lois, who owns the Antiquarian Bookshop next door to her own Indigo Tea Shop. Even though this appears to be the work of a serial killer who is stalking the back alleys of Charleston, Lois begs Theodosia for help. Against the advice of her boyfriend, Detective Pete Riley, and the sage words of Drayton, her tea sommelier, amateur-sleuth Theodosia launches her own shadow investigation. And quickly discovers that suspects abound with the dead girl’s boyfriend, nefarious real estate developer, private-security man, bumbling reporter, and her own neighbor who is writing a true-crime book and searching for a big ending. INCLUDES DELICIOUS RECIPES AND TEA TIME TIPS!

The Entrepreneurial Mindset

Preparing Our Next Generation for the Future Work

What kind of mindset is needed to thrive in a future being transformed by exponentially advancing technology and threats ranging from COVID-19 to climate change? Answer: The Entrepreneurial Mindset. Many proclaim that STEM education is the best preparation for the 21st century economy. But STEM is not enough. To flourish in the future of work, the 8 domains of The Entrepreneurial Mindset are essential. And the best way for young people to build this mindset is through project-based entrepreneurship education. The Entrepreneurial Mindset explores the intersection between the future of work and education. Readers will be inspired by real-life stories and in-depth research on how—and why—project-based entrepreneurship education changes the trajectories of students' lives. Young people, parents, educators, students, entrepreneurs, investors, business and public sector leaders, school board members and administrators, researchers, and everyone interested in preparing our next generation for the future of work will benefit from this book. The Entrepreneurial Mindset draws upon learning methods and case studies from the Network for Teaching Entrepreneurship (NFTE), a nonprofit based in New York City that has reached over 1 million students. All proceeds from the book go directly to NFTE to support its mission.

Negotiating for Success: Essential Strategies and Skills *Van Rye Publishing, LLC*

We all negotiate on a daily basis. We negotiate with our spouses, children, parents, and friends. We negotiate when we rent an apartment, buy a car, purchase a house, and apply for a job. Your ability to negotiate might even be the most important factor in your career advancement. Negotiation is also the key to business success. No organization can survive without contracts that produce profits. At a strategic level, businesses are concerned with value creation and achieving competitive advantage. But the success of high-level business strategies depends on contracts made with suppliers, customers, and other stakeholders. Contracting capability—the ability to negotiate and perform successful contracts—is the most important function in any organization. This book is designed to help you achieve success in your personal negotiations and in your business transactions. The book is unique in two ways. First, the book not only covers negotiation concepts, but also provides practical actions you can take in future negotiations. This includes a Negotiation Planning Checklist and a completed example of the checklist for your use in future negotiations. The book also includes (1) a tool you can use to assess your negotiation style; (2) examples of “decision trees,” which are useful in calculating your alternatives if your negotiation is unsuccessful; (3) a three-part strategy for increasing your power during negotiations; (4) a practical plan for analyzing your negotiations based on your reservation price, stretch goal, most-likely target, and zone of potential agreement; (5) clear guidelines on ethical standards that apply to negotiations; (6) factors to consider when deciding whether you should negotiate through an agent; (7) psychological tools you can use in negotiations—and traps to avoid when the other side uses them; (8) key elements of contract law that arise during negotiations; and (9) a checklist of factors to use when you evaluate your performance as a negotiator. Second, the book is unique in its holistic approach to the negotiation process. Other books often focus narrowly either on negotiation or on contract law. Furthermore, the books on negotiation tend to focus on what happens at the bargaining table without addressing the performance of an agreement. These books make the mistaken assumption that success is determined by evaluating the negotiation rather than evaluating performance of the agreement. Similarly, the books on contract law tend to focus on the legal requirements for a contract to be valid, thus giving short shrift to the negotiation process that precedes the contract and to the performance that follows. In the real world, the contracting process is not divided into independent phases. What happens during a negotiation has a profound impact on the contract and on the performance that follows. The contract’s legal content should reflect the realities of what happened at the bargaining table and the performance that is to follow. This book, in contrast to others, covers the entire negotiation process in chronological order beginning with your decision to negotiate and continuing through the evaluation of your performance as a negotiator. A business executive in one of the negotiation seminars the author teaches as a University of Michigan professor summarized negotiation as follows: “Life is negotiation!” No one ever stated it better. As a mother with young children and as a company leader, the executive realized that negotiations are pervasive in our personal and business lives. With its emphasis on practical action, and with its chronological, holistic approach, this book provides a roadmap you can use when navigating through your life as a negotiator.

How Peer Pressure Can Transform the World *Icon Books Ltd*

In the style of Nudge or The Spirit Level - a groundbreaking book that will change the way you look at the world. Tina Rosenberg has spent her career tackling some of the world's hardest problems. The Haunted Land, her searing book on how Eastern Europe faced the crimes of Communism, was

awarded both the National Book Award and the Pulitzer Prize in the US. In *Join the Club*, she identifies a brewing social revolution that is changing the way people live, based on harnessing the positive force of peer pressure. Her stories of peer power in action show how it has reduced teen smoking in the United States, made villages in India healthier and more prosperous, helped minority students get top grades in college calculus, and even led to the fall of Slobodan Milosevic. She tells how creative social entrepreneurs are starting to use peer pressure to accomplish goals as personal as losing weight and as global as fighting terrorism. Inspiring and engrossing, *Join the Club* explains how we can better our world through humanity's most powerful and abundant resource: our connections with one another.

The God Box: Sharing My Mother's Gift of Faith, Love and Letting Go *Worthy Books*
After Mary Lou's mother passed away, she went searching for the God Box. But rather than one box, Quinlan found 10 containers stuffed with hundreds of origami-like folded papers. Covering the last 20 years of her mother's life, the notes contained a treasure of brief prayers for family, friends and people she had never even met. Note by note, Quinlan discovered the greatest lesson her mother could impart: the importance of letting go in order to live. Poignantly written and beautifully designed, *The God Box* is a gift for every parent, every son or daughter, every person who trusts in the permanence of love and the power of prayer.

Cat's Cradle

A Novel *Dial Press*
“A free-wheeling vehicle . . . an unforgettable ride!”—The New York Times *Cat’s Cradle* is Kurt Vonnegut’s satirical commentary on modern man and his madness. An apocalyptic tale of this planet’s ultimate fate, it features a midget as the protagonist, a complete, original theology created by a calypso singer, and a vision of the future that is at once blackly fatalistic and hilariously funny. A book that left an indelible mark on an entire generation of readers, *Cat’s Cradle* is one of the twentieth century’s most important works—and Vonnegut at his very best. “[Vonnegut is] an unimitative and inimitable social satirist.”—Harper’s Magazine “Our finest black-humorist . . . We laugh in self-defense.”—Atlantic Monthly

The Last Train North *Council Oaks Distribution*

The Vision of Hell

Abandoned Arkansas *America Through Time*
If you have ever driven by a building and wondered what has happened within its walls, you know what drives *Abandoned Arkansas*. Every day neglected structures are on the verge of being demolished or in desperate need of renovation. Join Michael Schwarz, Eddy Sisson, Ginger Beck, and James Kirkendall through the forgotten history of the Natural State, from the Majestic Hotel in Hot Springs to Dogpatch USA, an abandoned theme park once loved by thousands. Travel to decayed places around the state and bear witness to the vandalism, weathering, and slow death of countless historic buildings. It's simultaneously heartbreaking and captivating. Through historic documentation, these photographers hope to immortalize the stories of the places they visit beyond the building's finite lifespan, and to preserve an echo from the past. To see over 150 locations and more photos from abandoned places around the state, please visit [AbandonedAR.com](#)
