### A Passage to India

After a mysterious incident during their visit to the Marabar Caves, the charming Dr Aziz is accused of assaulting Adela

Quested, a naïve young Englishwoman. His trial exposes the fragile structure of Anglo-Indian relations and the racism inherent in colonialism is exposed. A Passage to India compellingly depicts the fate of individuals caught between the great political and cultural conflicts of the modern world.

### **A Passage to India**

In this hard-hitting novel, first published in 1924, the murky personal relationship between an Englishwoman and an Indian doctor mirrors the troubled politics of colonialism. Adela Quested and her fellow British travelers, eager to experience the "real" India, develop a friendship with the urbane Dr. Aziz. While on a group outing, Adela and Dr. Aziz visit the Marabar caves together. As they emerge, Adela accuses the doctor of assaulting her. While Adela never actually claims she was raped, the decisions she makes ostracize her from both her countrymen and the natives, setting off a complex chain of events that forever changes the lives of all involved. This intense and moving story asks the listener serious questions about preconceptions regarding race, sex, religion, and truth. A political and philosophical masterpiece.

### **A Passage to India** *Viking*

Exploring issues of colonialism, faith and the limits of comprehension, E.M. Forster's A Passage to India is published as a Penguin Essential for the first time. When Adela Quested and her elderly companion Mrs Moore arrive in the Indian town of Chandrapore, they quickly feel trapped by its insular and prejudiced 'Anglo-Indian' community. Determined to escape the

parochial English enclave and explore the 'real India', they seek the guidance of the charming and mercurial Dr Aziz, a cultivated Indian Muslim. But a mysterious incident occurs while they are exploring the Marabar caves with Aziz, and the well-respected doctor soon finds himself at the centre of a scandal that rouses violent passions among both the British and their Indian subjects. A masterly portrait of a society in the grip of imperialism, A Passage to India compellingly depicts the fate of individuals caught between the great political and cultural conflicts of the modern world. 'His great book ... masterly in its presence and its lucidity' Anita Desai

### **E.M. Forster's A Passage to India** *Atlantic Publishers & Dist*

A Passage To India, E.M. Forster S Masterpiece, Which Has Remained Consistently Popular And Widely Studied In India For Eight Decades, Has Also Emerged As The Most Controversial Of All His Works, To Have Received Both Enthusiastic Applause And Corrosive Criticism Across Geographical And Cultural Frontiers Since Its First Publication Till Date For Varied Reasons. The Available Corpus Of Criticism On The Novel, Quite Voluminous And Often Contrapuntal, Can Reasonably Baffle And Intrigue The Young Students. While Keeping In View The Need Of The General Students Of Our Universities The Present Study Aims At A Lucid Analysis And In-Depth Study Of The Book With Reference To Its Various Facets. The Author Who Has Been Teaching The Book To University Students For Nearly Three Decades Has Penetrated The Text With Sensitive Insight And Scholarly Command From The Varied Angles Of The Genesis, Historical Setting, Title, Themes, Structure, Characters, Narrative Technique Including

Symbol, Rhythm, Language, Interterxtual Echoes, And Imperial And Postcolonial Discourses, In Addition To Providing An Introduction , A Story-Outline , And A Detailed Critical Summary Of The Entire Text, Along With A Select Bibliography And Sample Questions. The Study Will Be Immensely Useful To Students, Scholars And Teachers In The Area.

Seminar paper from the year 2007 in the subject English Language and Literature Studies - Literature, grade: 1,0 (A), Cummins Memorial Theological Seminary (USA: East Tennessee

State University, Johnson City - College of English), course: E.M. Forster, 13 entries in the bibliography, language: English, comment: This paper examines Forster's depiction of the friendship between Dr. Aziz and Dr. Fielding in "A Passage to India" and the influence of British colonialism on personal relationships in general., abstract: 1Introduction E.M. Forster's last novel A Passage to India has been widely appreciated as his most brilliant, most successful, and most valuable work of art. It has received a high reputation as one of the greatest, but also "most puzzling," (Allen, 934) modern masterpieces ever written. After its publication in 1924 "it was accorded instant recognition, as a fine novel and as a perceptive and sympathetic treatment of the problem of 'Anglo-India'" (White, 641). In the novel Forster examines racial tensions between the British colonizers and the Indian people at the time of the British Raj and also the philosophical question about the nature of human relationships in general. Despite its great acclaim, it has also been highly criticized and its release gave rise to a political controversy about British imperialism because it was perceived as a clear offensive against the British imperialists. Some literary critics doubt the novel's credibility since it allegedly depicts British officials behaving too cruelly and the relations between British and Indians as unrealistic (Macaulay, 188). Although most criticism focused on its political assumptions, and Forster himself intended to express his scepticism about British imperialism in India and its destroying impact on human personal relationships, it was not predominantly intended to be a political novel. However, "as a political novel it has had a notable success" (Rutherford, 2). Forster's central purpose i

#### **A ROOM WITH A VIEW & HOWARDS END e-artnow**

A Room with a View – When Lucy Honeychurch embarks on a journey of a lifetime to Italy, little does she know that she would fall for the reckless man George, with whom she and co-traveller had exchanged the room with in Florence. In spite of her self-denial about her growing attraction to George Lucy knows in her heart that she cannot marry another man, let alone Cecil Vyse, who is not only downright obnoxious but also overbearing. This book is a classic romance which has also been adapted into a highly successful movie featuring Helena Bonham Carter, Julian Sands, Maggie Smith and Daniel Day-Lewis. Howards End - The story revolves around three families in England at the beginning of the 20th century: the Wilcoxes, rich capitalists with a fortune made in the colonies; the half-German Schlegel siblings (Margaret, Helen, and Tibby), whose cultural pursuits have much in common with the Bloomsbury Group; and the Basts, an impoverished young couple from a lower-class background. As fate would have it, their lives are going to be intertwined in such a manner that the secret passions and flying tempers would bring each of the family to the verge of ruin. Can they survive this vortex or will they be ruined forever?

### **A Passage to India**

### **Summer** *Standard Ebooks*

Edith Wharton's controversial novel *Summer* is the story of Charity Royall, an ambitious young woman trapped in a stifling small town by both her gender and her social class. When a visiting stranger arrives in town, Charity is awakened to a wider world of possibilities and to the realities that constrain her. Published in 1917, the novel was both attacked and ignored for openly acknowledging female sexuality and its many inequities. Later generations of critics have come to regard the book as an important turning point in Wharton's work and a spiritual companion to her classic novel, *Ethan Frome*. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

### **Personal Relationships in "A Passage to India"** *GRIN Verlag*

Seminar paper from the year 2003 in the subject English Language and Literature Studies - Literature, grade: 1, University of Würzburg, 14 entries in the bibliography, language: English, abstract: E.M. Forster's novel *A Passage to India* was published in 1924 and based on two personal visits of Forster's to India in 1912 and a few years later after World War I in 1921. During his visits to India, Forster travelled a great deal and met many Indians, among them Syed Ross Masood, who was to become an intimate friend and also the basis for the character of the young Indian doctor Aziz in his novel. The friendship between them is portrayed by Forster in the friendship between Aziz and Mr Fielding, the English schoolmaster. In this way, Forster was able to experience both sides, maintaining a cross-cultural relationship and deriving from this completely new knowledge and feelings,

but also the negative side with all the hardships of cultural and political misunderstandings. Forster gives a very vivid description of exactly these difficulties in his novel, and shows, without sparing the British in any one point, the state of British Rule in India at the time of his second visit. He attempts to criticise the unjust superior behaviour of the British. Due to this narrative technique, the reader is immediately apt to sympathize with the ruled race, badly and impolitely treated by the English officials (such as Callendar, Turton, Heaslop). In his novel, the author attempts to answer a question even he had had to pose himself: Is it possible for an Englishman and an Indian to be friends? This question appears in the book on one of the first pages during a discussion of Aziz's Indian friends, but the answer is left open for the time being. As already mentioned, the overall theme of the novel is that of relationships, friendship, and "the yearning for communication and connection" 1 which needs must lead to a "catastrophic failure" 2 of those attempted relationships due to a political and cultural world without an overall understanding for such mixed relationships or individuality. The novel is divided up into three main parts: Mosque, Temple and Caves. This structure has given much room for different interpretations, one of such which is the structure of thesis, antithesis and synthesis.

### **The Arabian Nights *Phoemixx Classics Ebooks***

The Arabian Nights Andrew Lang - One Thousand and One Nights is a collection of stories collected over many centuries by various authors, translators and scholars in various countries across the Middle East and South Asia. These collections of tales trace their roots back to ancient Arabia and Yemen, ancient Indian literature and Persian literature, ancient Egyptian literature and Mesopotamian mythology, ancient Syria and Asia Minor, and medieval Arabic folk stories from the Caliphate era. Though the oldest Arabic manuscript dates from the fourteenth century, scholarship generally dates the collection's genesis to somewhere between AD 800-900.

### **Our Mutual Friend**

### **The Hill of Devi *Rosetta Books***

An essential companion to A Passage to India, a collection of the author’s own letters that read like “a close personal friend has shared his impressions” (Kirkus Reviews). In 1912, a young E. M. Forster traveled to India to serve as a secretary to the Maharajah of Dewas, a small Indian state. He was elevated to the rank of a minor noble, and eventually given the state’s highest honor, the Tukoji Rao III gold medal. This brief episode in Forster’s life became the basis for his masterwork, A Passage to India. In the letters included in The Hill of Devi, he shares his personal journey of discovering his beloved India for the first time. Forster paints a vivid, intimate picture of Dewas State—a strange, bewildering, and enchanting slice of pre-independence India. In this collection, Forster shares insight into the lives of Indian royalty and accounts

of the stark contrast between their excesses and the poverty he encounters. From letters that set the scene for Forster's lifelong friendship with the Maharaja, to an essay on the Maharaja himself and Forster's experiences as the Maharaja's personal secretary, *The Hill of Devi* is a fascinating chronicle of the author's experience in the land he called "the oddest corner of the world outside Alice in Wonderland."

### **A Passage to India**

#### **The E. M. Forster Collection**

*A Passage to India* (1924) is a novel by English author E. M. Forster set against the backdrop of the British Raj and the Indian independence movement in the 1920s. It was selected as one of the 100 great works of 20th century English literature by the Modern Library and won the 1924 James Tait Black Memorial Prize for fiction. Time magazine included the novel in its "All Time 100 Novels" list. The novel is based on Forster's experiences in India, deriving the title from Walt Whitman's 1870 poem "Passage to India" in *Leaves of Grass*. The story revolves around four characters: Dr. Aziz, his British friend Mr. Cyril Fielding, Mrs. Moore, and Miss Adela Quested. During a trip to the fictitious Marabar Caves (modeled on the Barabar Caves of Bihar), Adela thinks she finds herself alone with Dr. Aziz in one of the caves (when in fact he is in an entirely different cave), and

subsequently panics and flees; it is assumed that Dr. Aziz has attempted to assault her. Aziz's trial, and its run-up and aftermath, bring to a boil the common racial tensions and prejudices between Indians and the British who rule India.

### **A Passage to India**

#### **Nation and Narration** *Twayne Pub*

The reasons for the British presence in India, the extent of their power over the Indians, the many and complex reactions of the Indians to that power, the role and reliability of Forster's narrator as arbiter and truth-teller, the extent to which that narrator gives voice to Forster's personal experience of India - all are brought to light in Herz's analysis. This assessment of the book's more tangible elements is complemented by Herz's recognition of its intangible elements, its ghosts, those presences that exist within its imaginative world but not necessarily on the page. The novel's "ghost story," Herz writes, "occurs in the spaces of the primary text; in dreams, memories, old photographs, and flashes of intuition that do not quite resolve." While some critics have dealt with the supernatural in Forster's work, Herz is the first to use the idea of the ghost story to come to grips with the essential elusiveness and secrecy of *A Passage to India*.

E. M. Forster. After initial publication in *The Oxford and Cambridge Review* (November 1909)

### **A Passage to India** *Standard Ebooks*

The setting of A Passage to India is the British Raj, at a time of racial tension heightened by the burgeoning Indian independence movement. Adela Quested, a young British subject, is visiting India to decide whether to marry a suitor who works there as a city magistrate. During her visit, a local physician, Aziz, is accused of assaulting her. His trial brings tensions between the British rulers and their Indian subjects to a head. The novel is a complex exploration of colonialism, written at a time when the popular portrayal of the Indian continent was of mystery and savagery. Forster humanized the Indian people for his at-home British audience, highlighting the damage that colonialism caused not just to interpersonal relationships, but to society at large. On the other hand, some modern scholars view the failure of the human relationships in the book as suggesting a fundamental "otherness" between the two cultures: a gulf across which the disparate cultures can only see each other's shadows. In any case, the novel generated—and continues to generate—an abundant amount of critical analysis. A Passage to India is the last novel Forster published in his lifetime, and it frequently appears in "best-of" lists of literature: The Modern Library selected it as one of its 100 great works of the 20th century, Time magazine included it in its "All Time 100 Novels" list, and it won the 1924 James Tait Black Memorial Prize for fiction. This book is part of the Standard Ebooks project, which produces free public domain ebooks.
