In game theory, battle of the sexes is a two-player coordination game. Some authors refer to the game as Bach or Stravinsky and designate the players simply as Player 1 and Player 2, rather than assigning sex. Imagine a couple that agreed to meet this evening, but cannot recall if they will be attending the opera or a football game. The husband would prefer to go to the football game. The wife would rather go to the opera. Both would prefer to go to the same place rather than different ones. If
