The author presented Thomas Edison from child to adult in an honest, humorous way, not shying away from the events in his life that might be considered controversial, such as

the fact that he was homeschooled due to the cruelties and of his teacher and the basic dumbing down of school in general(a refreshing change- I'm usually dodging "school propaganda" in children's literature); that his mother was convinced his son was too smart for school and a devout Christian.
